In the event of a disagreement on the issue of any specific job description/position title, PERC shall be petitioned for a ruling on the inclusion or exclusion of the position. The word "public", as used in this section, shall refer to any documents, reports, statistics, studies, and other such information in the form in which they are regularly kept. Materials prepared in multiple form for distribution to the public and/or media shall be provided to the Union at no cost. If additional information is requested by the Union and said material does not exist in multiple form, the Union shall pay for the actual cost of duplication of such material, not to exceed fifteen (15) cents per sheet.
2. Teachers serving on committees, councils, or other advisory groups shall be selected by the Superintendent from a list of recommended representatives elected by a majority vote of the teachers in each school, department, and/or grade level, whichever is applicable. No subject which is properly a matter of negotiations shall be considered by any teacher committee not authorized by this Agreement.
3. The principal of the school shall meet at mutually agreed times during the school year with the representatives of the Union, at the request of the Union, to discuss questions and problems as well as matters relating to the implementation of this Agreement. Such meeting shall not be construed to replace the grievance procedure for any matter normally the subject of a grievance.
4. The Union shall appear on the Board agenda at all Board meetings as a regular agenda item. Further, the Union representative shall be recognized upon request to speak on issues before the Board in the same manner as any other individual. A copy of the agenda and all supporting data will be provided to the Union by the
5. Duly authorized representatives of the Union may visit schools to investigate employee complaints and/or communicate with teachers. Upon arrival at the school, Union representatives shall make their presence known to the school principal or his/her designee. If the principal does not approve the representatives’ visit at that particular time, he/she will explain the reason to the representatives. Such visits shall not be carried out during pupil contact time of the involved teacher(s).

6. Whenever teachers are scheduled by the Board or its agents to participate during working hours in conferences, meetings, or in negotiations respecting the Collective Bargaining Agreement, they shall be granted the necessary time and shall suffer no loss in pay.

7. Each year upon reaching a tentative Agreement in negotiations and prior to ratification, a district meeting shall be conducted by USEP for Union representatives during the school day for the purpose of explanation of the tentative Agreement and contract ratification procedures. Each school shall be allowed to send up to two (2) representatives selected by the USEP president. The representatives attending the district meeting shall be granted one-half (1/2) day leave and shall suffer no loss in pay. The cost of substitutes shall be paid for by the Board.

8. A roster of all teachers assigned to a school or schools shall be provided to the Union representative of said school by September 10, and revised rosters shall be provided when issued. The Board and Union agree that an electronic directory of all personnel will be available on the district’s network. This directory will list employees alphabetically by school or department and will be updated regularly. Employees will have the opportunity to opt out of having their personal contact information listed in the directory. The availability of this directory shall replace the distribution of a paper copy of a directory distributed in prior years. Copies of this directory shall not be distributed to any outside parties for commercial or solicitation purposes, except as required by law.

9. The Union will distribute a copy of the agreement to each employee covered by this Agreement at each worksite. Following ratification, all Agreements and addenda will be available on the Board’s and Union’s respective websites. Further, the Board agrees that additional days may be granted if the Union reimburses the district for the full costs of the required substitute(s). However, if said days used by the Union representatives are planning or staff development days, the Union will not be charged for substitute(s) for such days.

12. Professional leave shall be granted for teachers to attend statewide conferences, conventions, and/or related activities held on the statewide conference day in October and to attend Board-approved, USEP-sponsored staff development on district-wide staff development days with prior approval of the principal. Teachers will not be released on district-wide staff development days to attend USEP-sponsored staff development when it conflicts with a required staff development activity scheduled by the principal. Up to twenty-three (23) teachers shall be granted Union leave to attend the Florida Education Association (FEA) Convention or the FEA Leadership Conference. The Board shall pay the cost of the required substitutes for such teachers. Such Union leave shall be in addition to the leave days authorized under paragraph 11 of this section.

a) All funds collected by the Board as a result of dues deductions shall be remitted by the Board to the Union within ten (10) days of the deduction.

b) Dues deductions shall be continuous from year to year so long as the employee organization remains the certified bargaining agent for the unit.

c) Authorizations are revocable by the employees with thirty (30) days notice to both the Board and the Union.

2. The Board shall supply to the Union a list of those teachers from whom said payroll deductions have been made after each pay period.

3. The Union shall indemnify and save the Board harmless from any and all claims, demands, suits, and causes of action of any kind whatsoever arising from Board actions to comply with the provisions of this section.

SECTION C - Use of Facilities

1. The Union may use school building facilities for meetings upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. In each school, for a maximum of five (5) times per year, a meeting called by the Union for that school's teachers may be scheduled during fifteen (15) minutes of the teacher workday provided that such a schedule does not interfere with student contact time. Further, two (2) additional meetings not to exceed two (2) hours each may be held during the school day for the purpose of contract explanation and/or ratification.

2. The Union shall have the right to conduct regularly scheduled Building Representative Council meetings in school building facilities.

3. The Union may use school building facilities for countywide or area meetings, upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. The meetings are to be conducted after the teacher's working day is completed.

4. The Union may be charged the customary fee for custodial services made necessary by use described in paragraphs 2 and 3 above.

5. The Union shall have the right to conduct regularly scheduled Building Representative Council meetings in school building facilities.

6. The Union may use school building facilities for countywide or area meetings, upon prior approval of the school principal. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. The meetings are to be conducted after the teacher's working day is completed.

7. The Union shall receive written notice on or before August 1 of any district orientation meeting for incoming teachers. Further, the Union shall be given a place on the agenda of any district orientation program for incoming teachers. Should a school have an orientation meeting for new teachers, the school Union representative upon request shall be given a place on the agenda of one (1) meeting selected by the principal.

The Board will provide the Union with a list of newly hired teachers within seven (7) days of the teachers’ appointments by the Board.

END OF ARTICLE III

ARTICLE IV - FAIR PRACTICES

SECTION A

1. The Board hereby agrees that every teacher shall have the right freely to organize, join, and support the Union including, but not limited to, the displaying of union materials, buttons, pins, apparel, etc. Any such items will be consistent with school and/or district attire and rules. The Board and the Union agree that they will not directly or indirectly discourage, deprive, or coerce any teacher in the enjoyment of any rights conferred by this Agreement.

2. Further, the Board and the Union, including their agents, mutually agree not to discriminate against any teacher in regard to any of the rights, guarantees, or privileges afforded teachers under the terms of this Agreement.
SECTION B
Nothing contained herein shall be construed to deny or restrict rights to any teacher he/she may have under the Florida School Laws or other applicable laws and regulations.

END OF ARTICLE IV

ARTICLE V - SENIORITY

SECTION A
1. Seniority shall be the length of continuous service of a teacher in the school system. Continuous service shall be determined in reference to unbroken service in the district with each year in which a teacher has been under contract for at least one (1) day more than one-half (1/2) the normal contract length for the position counted as one (1) year of service with the following exception: If a teacher takes ten (10) or more successive days of unpaid leave, these days shall be deducted from the contract length, and if this deduction reduces the contract length to less than one (1) day more than one-half (1/2) the normal contract length for the position, the year shall not be counted.

2. If it becomes necessary to establish precedence among teachers with the same seniority, the beginning date of employment shall be used.

ARTICLE VI - GRIEVANCE PROCEDURE

SECTION A - Definitions
1. A grievance is a complaint by a teacher or by a group of teachers that there has been a violation, misinterpretation, or misapplication of this Agreement and shall be subject to settlement under all provisions of this article.

2. When a complaint arises alleging that:
   a) a policy or practice is improper or unfair; or
   b) there has been a deviation from a misinterpretation or misapplication of a practice or policy; or
   c) there has been unfair or inequitable treatment by reason of an act or condition contrary to existing policy or practice.

   Such complaint shall be subject to settlement under all provisions of this article excluding Step Five.

SECTION B - General Application
1. With regard to items of the Agreement covering Union rights, the Union shall have the right to present, process, or appeal a grievance at any level in its own behalf.

2. The Union has the right to represent the teacher at any level of the procedure. The teacher shall have the right to be represented by legal counsel or any person(s) he/she deems necessary at any step of this procedure.

3. A grievance shall be first filed at the level where the alleged action(s) occurred that led to the filing of the complaint and processed in accordance with all subsequent steps thereafter as outlined in this article.

4. No decision or adjustment of a grievance shall be contrary to any provision of this Agreement existing between the parties hereto.

5. The Union shall have the right to be present at all meetings after Step One regarding a grievance regardless of the party filing the grievance.

6. Failure to communicate the decision of a grievance at any step of this procedure within the specified time limit shall permit the Union to submit an appeal at the next step of this procedure. However, time limits, as specified, may be extended at any time by mutual agreement in writing.
7. In the event that a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by the end of the school year, the time limits set forth herein shall be reduced to the extent possible so that Steps One to Three of the procedure may be completed prior to the end of the school year.

8. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation. No entry of any kind concerning a teacher's participation in a grievance shall be entered into his/her personnel file.

9. All parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.

10. Whenever meetings for resolving grievances are scheduled during the school day, the Union representative and/or grievant will be allotted released time without loss of pay, and a substitute shall be provided by the Board.

11. No member of the bargaining unit shall be represented by another employee organization.

SECTION C - Procedure

**Step One:** Any teacher who feels that he/she may have a grievance may first discuss the grievance with the principal, either directly or accompanied by the Union representative, with the object of solving the matter informally.

**Step Two:** In the event that the matter is not resolved informally, the formal grievance stated in writing may be submitted to the immediate supervisor at the level of filing, the Union, and the Superintendent, with one copy for the grievant. A formal grievance shall be filed as soon as possible after the action giving rise to the grievance but no later than twenty (20) days after the grievant knew or could reasonably have been expected to know of the occurrence giving rise to the grievance.

a) Within five (5) days after the receipt of the formal grievance, the principal shall hold a formal hearing on the grievance.

b) The grievant and the Union representative shall be given at least one (1) day's written notice of the hearing.

c) Within five (5) days after the hearing, the principal shall communicate his/her decision in writing together with supporting reasons.

d) The principal shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

**Step Three:** If the grievance is not resolved satisfactorily, the grievant and/or Union may appeal within five (5) days to the Superintendent of Schools. The appeal shall be in writing and shall include a copy of the original appeal and the decision arrived at in Step Two.

a) Within ten (10) days after the receipt of the appeal, the Superintendent shall hold a hearing on the grievance.

b) The grievant, the Union representative, and the principal shall be given at least two (2) days written notice of the hearing. Said notice shall contain the time and place of such hearing.

c) The grievant shall be present at the hearing unless there is mutual agreement that no facts are in dispute and that the sole question before the Superintendent is one of interpretation of a provision of the Agreement between the parties thereof or of what is established policy or practice.

d) Within five (5) days after the hearing on the appeal, the Superintendent shall communicate his/her decision in writing together with supporting reasons. The Superintendent shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

**Step Four:** If the grievance is not resolved satisfactorily, the Union may appeal the grievance within five (5) days to the Board. The appeal shall be in writing and shall include a copy of the original appeal and the decision at Steps Two and Three. The Union may waive this step for any grievance filed. If this step is waived, the grievance may be appealed directly to Step Five upon mutual agreement of the Board and the Union if no satisfactory resolution has been reached at Step Three.

a) Within fifteen (15) days after receipt of the appeal, the Board shall hold a hearing.

b) The grievant, the Union representative or representatives, the principal, the Superintendent, and the president of the Union shall be given written notice at least two (2) days prior to the hearing.
c) Within fifteen (15) days after the hearing on the appeal, the Board shall communicate its decision in writing together with its supporting reasons. The Board shall furnish one (1) copy to each grievant, one (1) copy to the Union representative and one (1) copy to the Union president.

**Step Five:** If a grievance involving the application or interpretation of this Agreement is not resolved satisfactorily at Step Four, the grievant, through the Union, may appeal within five (5) days directly to the American Arbitration Association for binding arbitration.

a) The arbitrator shall be selected through procedures and governed by the rules established by the American Arbitration Association.

b) The decision and award of the arbitrator shall be in writing and shall set forth opinions and conclusions on the issues submitted to him/her at the time of the hearing.

c) The decision of the arbitrator shall be final and binding.

d) The cost of filing for arbitration through the American Arbitration Association, the fee and expenses of the arbitrator and any court reporter shall be borne by the losing party. Any other costs connected with arbitration shall be borne by the party incurring the costs.

e) Nothing in the foregoing shall be construed to empower the arbitrator to make any decisions amending, changing, subtracting from, or adding to the provisions of this Agreement.

END OF ARTICLE VI

**ARTICLE VII - WORKING CONDITIONS**

**SECTION A – Contracts**

2. Temporary Contract

   a) A teacher is a temporary contracted employee if he/she is employed after the beginning of the school year.

   b) It is expressly understood and agreed that neither the temporary contract teacher nor the School Board owes any further contractual obligation to each other after the termination date specified in the individual teacher's contract.

3. Professional Service Contract and Continuing Contract

   c) A continuing contract (CC) is not subject to being issued after July 1, 1984. If a teacher has previously held a continuing contract within the state and is employed or reemployed, the teacher may be granted a PSC upon recommendation for his/her second year of employment in the district.

4. Positions which the district is obligated to provide to outside agencies or for nonrecurring special grants will be considered non-continuous employment positions.

   Any teacher new to the district or returning, after a break in service employed in a non-continuous position, will be informed that the district owes no further obligation to him/her should his/her position be eliminated. Such a teacher will be given written notice of his/her non-continuous employment status and be required to sign confirmation of notification each year. The Board will provide to the Union a copy of the confirmation of notification signed by teachers filling non-continuous positions.

SECTION F - Involuntary Transfers

1. Staff Reduction

   a) Involuntary transfers may occur due to staff reduction in a department and/or grade level within a school or the closing of an existing facility. The Board shall notify the Union within ten (10) days after the determination that involuntary transfers must occur. Teachers shall not be subject to involuntary transfer to an alternative school for disruptive students.

   b) In case of staff reduction in a school, volunteers will be transferred first to positions for which they are qualified in the judgment of the Superintendent and are willing to accept. Involuntary transfers will then be assigned to positions for which they are qualified in the judgment of the Superintendent. Teachers who are being involuntarily transferred by the District for reasons of staff reduction in a school shall be placed on a list, which will be provided to the union, and have priority on assignment to open positions over all voluntary transfers and outside applicants.

   c) Involuntary transfers as described in paragraph "a" shall be based on seniority in Pasco County. The teacher with the least amount of seniority among those assigned to the school in which the reduction occurs, within the area of assignment affected, shall be first transferred. In grades Pre-K (K)-5 "area of assignment" shall mean: Pre-K and K, or elementary grades 1-5. The District and Union agree to meet at the beginning of each school year to review, if necessary, the areas of assignment used when the involuntary transfer process is initiated.

   d) Teachers transferred under this provision shall not be again subject to involuntary transfer during the same school year in which the transfer occurs.

   e) Should a position become available at the same school from which a teacher was involuntarily transferred due to a staff reduction, the teacher shall have the opportunity to return to such school, subject to all of the following conditions:

      1) The same or similar position needs to be filled no later than the end of the school year following the school year of the transfer.
      2) The position is in the same area of assignment from which the teacher was transferred.
      3) The teacher is certified for the position.
      4) The teacher is qualified for the position in the judgment of the Superintendent.
      5) In cases in which more than one teacher has been involuntarily transferred from the same area of assignment, at the same school, and meet the above conditions, the teacher with the most seniority shall first be given the option to return.

   f) Should it become necessary to reduce the number of staff members at an alternative school for disruptive students the school principal after receiving the recommendations relative to the program needs from the staff, will determine the teacher(s) to be transferred. Teachers selected for involuntary transfers shall be given notice of the involuntary transfers and the reason therefore in writing.

   g) The procedures described in paragraphs "a" through "e" are not intended to apply to individual involuntary transfers related to performance or other problems.

This does not apply to a person newly hired to the District to replace a person on leave as governed by Article VIII, Section A-6 (a).

3. Performance Problems

   Before recommending an involuntary transfer based upon any performance problems, the Superintendent or his designee shall give notice of the performance problem(s) and time to address and respond to the concerns, and unless extenuating circumstances exist, the instructional bargaining unit member will be offered assistance and time to address and resolve the concerns. In addition, the following procedures shall apply:

   a) Instructional bargaining unit members affected by recommendations for such an involuntary transfer which have been proposed for the upcoming year will be notified on or before May 1, unless extenuating circumstances exist.

Any instructional bargaining unit member attending a conference will have the right of Union representation upon the instructional bargaining unit member’s request. A written report of the conference with an instructional bargaining unit member concerning a recommended transfer will be given to the instructional bargaining unit member within ten (10) working days of the conference.

c) The instructional bargaining unit members will receive written notice of the recommendation of the Superintendent of a transfer and will have the opportunity to appear at the School Board meeting at which the transfer will be presented for approval. Instructional bargaining unit members affected by involuntary transfer shall be notified in writing on or before July 1 as to their assignment for the upcoming year except in an emergency.

d) The recommendation of the Superintendent and notice of transfer will be placed in the instructional bargaining unit member’s official file, along with any conference report as described above concerning an instructional bargaining unit member to be used for official purposes in regard to a transfer, which report will be placed in the instructional bargaining unit member’s official file according to provisions of Article VII, Section Q of the Instructional Master Contract.

e) None of the above shall apply to, restrict, or interfere with (1) investigation of a complaint to an outside agency such as HRS or in the criminal justice system, or (2) the Superintendent’s discretion and authority, as provided under Section 1012.27, Florida Statutes, and Florida Administrative Code Rule 6B 4.4005 to transfer any employee during an emergency and report the transfer to the School Board at the next regular meeting, or (3) involuntary transfers as provided for in Article VII, Section F, subsections 1, 2 and 5 of the Instructional Master Contract, and (4) none of the above shall restrict or interfere with the Superintendent’s authority as provided under Section 1012.27, Florida Statutes, and Florida Administrative Code Rule 6B-4.005 to recommend transfer of instructional bargaining unit members or the School Board’s authority as provided in Section 1012.27, Florida Statutes, to act on the Superintendent’s recommendations.

f) At an alternative school for disruptive students, teachers whose performance is judged to be unsatisfactory by the school principal shall be subject to involuntary transfer twenty five (25) days after the principal has provided the teacher with an opportunity to improve his/her performance and the performance continues to be below expectations. Any such transfer shall be according to the criteria in State Board Rules, 6B-4.005 and the Instructional Master Contract, Article VII, Section F(5). The reason for such transfer shall be discussed with the teacher and, upon the teacher’s request, with a Union representative prior to the transfer. At an alternative school for disruptive students the salary of a teacher who is involuntarily transferred to another school shall not be reduced for the remainder of the school year.

g) Individuals involuntarily transferred for performance or other problems shall also have priority on assignments to open positions over all voluntary transfers.

4. Teachers affected by involuntary transfers shall be notified in writing on or before July 1 as to their assignments for the oncoming year except in an emergency.

5. Physical Education and/or Driver Education Teachers

Any teacher initially employed as a physical education or driver’s education teacher with a coaching responsibility and who subsequently resigns from the coaching responsibility may be transferred to another school to continue the basic teaching contract. All teachers employed after July 1, 1997, in this category will be notified in writing at the time of employment.

SECTION G - Reduction in Force

2. If continuing contract or professional service contract teachers are to be affected by a reduction in force, certification and seniority within the district shall be the controlling factors. Seniority for purpose of reduction in force as it affects continuing contract or professional service contract teachers shall be based on seniority going from the least senior to the most senior.
3. The Board shall maintain a list of teachers affected by a reduction in force for a two (2) year period and will exhaust this list within the limits of certification before hiring new teachers for a two (2) year period. The Board will provide the Union with a copy of this list and regular updates. It shall be the duty of a teacher to ensure that the Board has current information regarding place of residence and telephone number. The Board shall rehire from the PSC and CC list based upon certification and seniority. Seniority being from the longest years of continuous service in the district to that of the least years of continuous service in the district.

4. Teachers shall be notified via telephone when a position has become available for which the teacher is qualified in the judgment of the Superintendent. The District shall attempt to contact the teacher at least three (3) times per day over a three (3) day period. A busy signal shall not count as an attempt to reach the teacher. In the event a teacher cannot be reached after these attempts, he/she shall be placed at the bottom of the list and notified of this action by certified mail. In the event a teacher cannot be reached after following this procedure a second time, the Board shall be released from any future rehire obligations.

5. Once a teacher is offered a position, he/she shall have forty-eight (48) hours to accept the position. Should a teacher fail to respond within this timeframe or decline the position offered, the Board shall be released from any further rehire obligations.

6. Upon return to employment, the teacher shall be placed on the salary schedule and appropriate contract as if he/she were on an unpaid leave of absence.

7. Any teacher whose position is lost as a result of a reduction in force may apply for unemployment compensation benefits. The district shall not contest a teacher’s application for such benefits. In the event a teacher is not performing satisfactorily and prior to issuing a NEAT letter, the administrator will advise the teacher of the specific deficiencies in his/her performance and shall give the teacher sufficient time and assistance to undertake an effort to overcome these deficiencies. The plan shall be presented to the principal for approval and to the faculty for a vote. Prior to the vote, a teacher, upon his/her request, will be provided a copy of the plan. The committee shall meet periodically during the school year to review the plan and to consider adjustments for improving the plan. The committee is encouraged to facilitate the sharing among faculty members of effective interventions/preventions and to develop a program to manage students more effectively.

2. While on duty, a teacher has a general responsibility for student control and a major responsibility for controlling those students under his/her direct supervision. The Board recognizes its responsibility to give full support and assistance to teachers in maintaining the appropriate discipline necessary to insure that effective teaching and learning takes place in an orderly and disciplined classroom without the distraction caused by
disobedient, disrespectful, violent, abusive, uncontrollable, and disruptive students. Teachers and administrators need to work together mutually supporting each other in a manner to maintain proper student behavior and to promote a safe educational environment.

3. Teachers have the responsibility and authority to establish and maintain classroom order within the frameworks of Board and school policies. Should it become necessary for a teacher to use reasonable force to maintain classroom/school order, the teacher shall follow the guidelines as provided in the Code of Student Conduct.

4. If, in the opinion of the teacher, and within the guidelines of the school's plan and the Code of Student Conduct, a student is disrupting regular classroom activities, the teacher may report the action to the principal. The teacher may also submit a recommended course of action consistent with the Code of Student Conduct for the principal's consideration. The teacher’s recommendation shall be in writing and be within the guidelines of the school’s plan and the Code of Student Conduct. The principal shall employ the teacher’s recommended consequence or a more serious disciplinary action; or the principal may determine that a lesser disciplinary action is appropriate. At the discretion of the teacher, he/she may retain a copy of the form. A copy of the discipline form with principal's action noted shall be returned to the teacher as soon as possible, but not more than five (5) days from the date of the referral.

   c. who has threatened personal harm or property damage against the teacher or the teacher's family.

Upon such request the principal may not return the student to that teacher's class without the teacher's consent unless the committee established herein determines that such placement is the best or only alternative. The teacher and the Placement Review Committee must render decisions within five (5) days of the removal of the student from the classroom. Placement options, however, are limited by program eligibility requirements, School Board policies, and state and federal laws. If the Placement Review Committee’s decision is contrary to the decision of the teacher to withhold consent to the return of the removed student to the teacher’s class, the teacher may appeal the committee’s decision to the Superintendent. The request to appeal to the Superintendent must be in writing and filed within three (3) workdays of notification to the teacher of the committee’s decision.

7. At the beginning of the school year, each principal shall notify each teacher in the school about the availability, the procedures, and the criteria for the Placement Review Committee. At the beginning of the school year, each school shall establish a Placement Review Committee to determine placement of a student when a teacher withholds consent to the return of a student to the teacher's class. Before selecting members to the committee, the principal and faculty will determine the size of the committee. The ratio of the number of members selected by the teachers and the number selected by the principal shall be approximately 2:1, if the number of volunteers and/or nominees exceeds the approximate two-thirds (2/3) number designated to be selected by teachers, an election will be held to determine which teachers fill the positions. Teachers will have all rights and responsibilities regarding student discipline as specified in the Code of Student Conduct and including that which is required under Florida Statutes. The Board, Superintendent, and principal shall fully support teachers in their efforts to follow and enforce the Student Code of Conduct.

12. The Board recognizes that teacher safety is a priority. Reasonable efforts shall be taken by the Board to ensure this safety. Any case of battery upon or an assault against a teacher in the performance of his/her duties shall be reported promptly to the principal or immediate supervisor. In such case, the legal assistance specified in Article IX, Section C (1), shall be provided if necessary, and the teacher maintains the right to report such action to legal authorities. Violence against school personnel by students will be enforced as specified in the Code of Student Conduct. Teachers who are involved in such cases shall not lose regular salary for any time lost from their duties when their presence is required before a judicial body. In case of disability, the Board agrees to continue the teacher's contractual salary until said employee is eligible for Workers' Compensation benefits. The Board agrees to follow the provisions of Florida Statute 1012.63 in regard to illness-in-line-of-duty leave.

13. The Union president or his/her designee will serve as a member of the District Student Code of Conduct Committee and will be responsible for recommending to the Chairperson the instructional bargaining unit members to serve on the committee.       3. Extended illnesses and/or disability related to pregnancy if leave request is accompanied by a physician's statement of disability.
   h. Sick leave will be deducted in full day, half-day or one hour increments. When possible, teachers are expected to schedule sick leave to be used in one hour increments before or after the student day so as not to affect student contact time. This paragraph will be effective October 1, 2013.
   i. Transfer of Sick Leave to Family Member
1. Effective July 1, 2001, an employee may transfer a minimum of 1/2 day of his/her accrued sick leave to his/her spouse, child, parent, or sibling who is also employed by the district, providing the recipient:

6. Any days transferred under this provision will be counted toward the teacher’s annual 12-week entitlement under provisions of Article VIII, Section C-7,a) Family and Medical Leave, if applicable.
7. Days transferred under this provision will be paid at the rate of pay of the recipient.
j. Voluntary Employee Sick Leave Donation
1. Beginning October 1, 2015, employees may request the donation of sick time from other District employees through the Voluntary Employee Sick Leave Donation Program. This program will allow an employee with a documented major condition to request additional paid sick time after they have exhausted their own accrued and credited paid time. The purpose of this program is to provide an opportunity for employees to voluntarily donate sick leave to an employee who, or whose spouse, minor child, or dependent child who is under legal guardianship of the employee, is experiencing a major medical emergency, illness, accident, or injury and has already exhausted all other available paid leave.

combined maximum number of days will be one hundred (100), with donated days being used prior to Sick Bank hours. The maximum number of days an employee can donate to an individual employee is one hundred (100).

6. The Office for Human Resources and Educator Quality will send an electronic request for each employee who is seeking to receive donated sick leave. Employees must disclose their name. Employees may choose to have the electronic request sent District-wide or to employees of the requesting employee’s school or department. Employees will have the option to disclose the major medical emergency, illness, accident or injury.

7. Donations from eligible employees who are family members of the receiving employee will be processed before all other pending donations. A family member is defined as a spouse, child, parent, or sibling of the employee.

   b. A teacher may seek additional ILD leave for an illness or injury incurred and approved in a prior school year if the teacher’s additional care is approved in his/her workers’ compensation claim and he/she submits medical documentation supporting such need. Such additional ILD leave may be granted not to exceed ten (10) days during any school year only if the ILD committee reviews and approves an additional leave request.
   c. In the case of sickness or injury occurring under said circumstances, the Board may grant additional leave.
   d. No leave granted under this provision shall be charged to accrued sick leave.
   e. The Board and Union agree that a committee shall be authorized to investigate and approve reports of illness/injury-in-line-of-duty and make recommendations to improve safety conditions and the use of Workers’ Compensation benefits. An administrator with voting power shall chair this committee. In addition, the Union and Board shall name an equal number of voting members.

3. **Personal Leave**
   Teachers shall be allowed up to six (6) days of personal leave at full compensation during each year of their employment. Such leave will not be cumulative and shall be deducted from accrued sick leave when used. Such leave shall not be used for recreational purposes. 4. **Judicial Leave**
   a. A teacher absent from work shall be paid his/her regular salary by the Board provided:
      1. he/she has been served a summons and required to report to jury duty;
      2. he/she has been issued a subpoena by an authorized agency and required to appear within the state of Florida; or

However, if the teacher is asked by the Superintendent to attend as a representative of the district, expenses shall be reimbursed within limits prescribed by the Board.

d. When professional leave is granted, the teacher shall not suffer loss of salary, and the days shall not be deducted from accumulated sick leave or annual personal leave.

6. **Sabbatical Leave**

After seven (7) years of satisfactory service in the Pasco County Public School System, a sabbatical leave of absence may be granted for the purpose of completing a doctorate or for other purposes if mutually agreed to by the Union and the Superintendent. The following conditions will prevail:

a. No more than one (1) teacher at a time shall be placed on sabbatical leave during any school year.

b. To be eligible, a teacher must be enrolled in a program approved for certification purposes by the Florida Department of Education and have completed enough of the required work to be eligible to complete the degree during the sabbatical period. If the degree is not finished within two (2) years after the last day of the sabbatical leave, the teacher shall reimburse the Board within two (2) years for the full amount of the leave plus eight percent (8%) interest. This condition may be waived by the Superintendent due to extraordinary circumstances.

c. Teachers on sabbatical leave will be paid 55 percent of the salary which would have been drawn during the time of the leave. Seniority shall be taken into consideration when granting sabbatical leave; however, a teacher making application for his/her first sabbatical leave shall be given preference over one who has previously been granted sabbatical leave. In the event that more than one applicant meets the criteria explained above, the Union and the Superintendent shall mutually select the teacher to receive the sabbatical.

d. Sabbatical leave may be allowed if satisfactory arrangements can be made for smooth operation of the school system.

e. Any teacher granted a sabbatical leave with remuneration shall file with the Superintendent a schedule of courses to be taken and shall complete all such courses and receive passing grades therein or shall reimburse the Board for the full amount of the remuneration paid to him/her for the period of the leave plus eight percent (8%) interest. Changes in said schedule of courses may be made upon mutual consent of the Superintendent and the teacher.

f. Any teacher granted sabbatical leave with remuneration is required to serve at least three (3) years in the county after termination of the leave. In the event such teacher should accept other employment instead of servicing Pasco for the full three (3) years as specified above, he/she would have to reimburse the Board as follows:

1. Zero (0) years of return service - the full amount of the sabbatical.
2. One (1) year of return service - two-thirds (2/3) of the amount of the sabbatical.
3. Two (2) years of return service - one-third (1/3) of the amount of the sabbatical.

All monies owed would be due within two (2) years of the date of the termination. Eight percent (8%) interest would be charged on the unpaid balance on the yearly anniversary of the termination date.

g. Application for the sabbatical leave shall be filed with the Director of Employee Relations by April 1.

7. **Sick Leave Bank**

Beginning with the 1979-80 school year, a Sick Leave Bank shall be established for the purpose of providing sick leave with pay during periods of personal illness, or injury not otherwise compensated by the Board or Worker’s Compensation. The intent of the Bank is to provide income protection for participating members of the bargaining unit. Bargaining unit members shall become eligible to participate in the Sick Leave Bank after one (1) year of employment in the school district and accrual of at least one (1) day of unused sick leave.

a. All participating members shall contribute one (1) day of sick leave in the first month of the employee’s eligibility. Each member of the bargaining unit will sign a statement either accepting or declining enrollment in the Sick Leave Bank. Applications for membership and/or use of the Bank may be obtained from the bargaining unit member’s primary worksite.
b. Participating members shall contribute one (1) additional day each time the Bank is depleted but not more than once per year. The Bank shall be considered depleted when there are fewer than 200 sick days.

1. If a member elects to withdraw from membership, he/she shall be removed from membership and may reapply during the next official enrollment period. Upon reapplying, initial membership requirements must again be met.

2. If a member does not have one Sick Leave day to contribute, his/her membership shall be suspended until he/she has earned one Sick Leave day to contribute.

c. The Bank shall be directed by an administrative committee and chaired by the Assistant Superintendent for Administration or his/her designee. This committee shall:

1. Process all applications and approve/disapprove withdrawal of days based upon illness, or injury, subject to the criteria established by this committee.

2. Define “catastrophic” and may develop other definitions, guidelines and rules for the purpose of administering the Bank.

3. Investigate any alleged abuse of the Sick Leave Bank, and upon a finding of wrongdoing, report such to the Superintendent. If such wrongdoing is substantiated, the employee shall reimburse the district all wages and benefits paid to the employee.

4. Be governed by rules established by the committee.

The composition of this committee shall be as follows:

1. The Assistant Superintendent for Administration or his/her designee.

2. The Supervisor of Student Services responsible for school nurses.

5. The Director of Employee Relations or his/her designee.

d. Participating members will be eligible to withdraw up to 100 days per twelve (12) month period from the Bank, in amounts approved by the committee. The twelve (12) month period will start on the first date that a member receives a day from the Sick Leave Bank. The awarding of days is subject to the following conditions:

1. The need must arise from the member’s own personal illness or injury. If the personal illness or injury is catastrophic, a member may receive up to 100 days. If the personal illness or injury is less than catastrophic, a member may receive up to 50 days. In no event may a member receive more than 100 days within a twelve (12) month period from the Bank.

2. The member has exhausted all accumulated sick leave.

3. The member has been absent in either a paid or nonpaid leave status for at least ten (10) consecutive days or for ten (10) non-consecutive days occurring within a ninety (90) day period that are related to the same illness or injury as substantiated by proper medical documentation. No member shall receive reimbursement from the Sick Leave Bank for any unpaid days that fall within the ten (10) day eligibility period.

4. The member has submitted an application and the statement completed by a licensed physician and/or a licensed mental health professional describing the illness or injury to the Chairperson of the Sick Leave Bank Committee, who will process the request and report his/her findings to the Sick Leave Bank Committee.

5. In the event a member has a preexisting condition on the date of enrollment, there shall be a ninety (90) day waiting period before eligibility based upon disability due to that particular illness.

6. Any days granted from the Sick Leave Bank will be counted toward the teacher’s annual twelve-week entitlement under the provisions of Article VIII, Section C-7, a), Family and Medical Leave.

e. The Union shall be provided with a monthly report consisting of:

1. The number of participating members.

2. The names of applicants requesting Sick Leave Bank days.

3. The number of days expended and remaining in the Bank.
8. **National Board of Professional Teaching Standards Certification Leave**

b. Up to six (6) days of personal leave as specified in Article VIII, Section B-3, provided the teacher has not used all six (6) personal days already this year, has accrued a sufficient number of sick leave hours, and has coordinated such leave request with the principal.

**SECTION C - Unpaid Leaves**

1. **Child Rearing Leave**

   a. A leave of absence without pay for a period of up to one (1) year shall be granted for child rearing. Said leave shall be granted in connection with childbirth, adoption, or death of the other parent.

   b. Requests for such leave shall be made in writing to the office of the Superintendent, when possible, at least thirty (30) days prior to the commencement of the leave.

2. **Military Leave**

A copy of the military orders shall be attached to the leave form. Effective July 1, 1987, the "annual period" referred to in Section 115.07, Florida Statutes, shall be from July 1 through June 30.

3. **Advanced Study and Education Service Leave**

   Upon request, the Board may grant a teacher leave of absence without pay for advanced study or educational experience for a period not to exceed one (1) year when such study or experience is directly related to the teacher's subject field. Such leave may include requests for acquiring experience in and knowledge of a teacher's field of study as an employee in industrial or private employment if the employer certifies to the district that the experience is in the teacher's instructional field. Normally this leave will be granted only after two (2) or more continuous years of service in the district.

4. **Civic Participation Leave**

   a. Upon request, a teacher shall be granted civic participation leave without pay.

   b. Such leave includes, but is not limited to, the following: election or appointment to a constitutional office in a federal, state, county, or municipal government or subdivision thereof.

   c. The teacher shall notify the Board in writing of his/her intention of accepting such office or assignment and shall keep the Board informed of his/her status at annual intervals thereafter. Such leave shall be renewed yearly, upon application, for a period equal to the term of office to which said teacher has been elected or appointed.

5. **Health Leave**

   Upon request, a teacher shall be granted a leave of absence without pay for up to one (1) year for reasons of poor health as certified by a licensed medical physician. With the exception of FMLA leave, such leave shall not be granted more than once in any five (5) year period; however, subsequent leave may be approved by the Superintendent or his/her designee upon the employee documenting extenuating circumstances.

6. **Extended Personal Leave**

   a. Upon request, a teacher with two (2) or more continuous years of service in the district shall be granted a leave of absence for up to one (1) year without pay for other reasons than those stated in C-1, C-2, C-3, C-4, or C-5, provided that the primary purpose shall not be to engage in gainful employment.

   b. The reason for such request shall be stated in the application for leave.

7. **Family and Medical Leave Act (FMLA)**

   a. The Board will grant an eligible employee (as defined in Part C of this section) up to a total of twelve weeks of leave in a twelve-month period for one or more of the following reasons:
1. the birth of a child of the employee and care following the child's birth,
2. the adoption of a child by the employee including the events and process leading to the adoption, and care following the adoption,
3. the placement and/or care of the child in the foster care of the employee,
4. the care of a child, spouse, or parent of the employee who has a serious health condition (as defined in Part A(5): When an employee takes FMLA leave for the care of a child, spouse, or parent of the employee which results in the death of such child, spouse, or parent of the employee, the Board will provide unpaid leave and benefits for a maximum of five calendar days from the date of the death of such child, spouse, or parent of the employee. For the purposes of this paragraph: (a) the term "spouse" means a husband or wife as defined or recognized under state law for purposes of marriage; (b) the term "parent" means a biological parent or an individual who stands or stood in loco parentis to an employee when the employee was a child -- this term does not include parents "in law"; (c) the terms "son" or "daughter" mean a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.
5. the treatment of a serious health condition which prevents the employee from performing his/her job. A "serious health condition" means an illness, injury, impairment or physical or mental condition that involves:
   a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice or residential medical care facility);
   b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three calendar days, that also involves continuing treatment by (or under the supervision of) a healthcare provider; or
   c. continuing treatment by (or under the supervision of) a healthcare provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or for prenatal care.
Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless inpatient hospital care is required.

b. The twelve-month period for entitlement under this section will be measured from July 1 through June 30.

c. In order to be eligible, the employee must have been employed by the Board for at least one year, and the employee must actually have received pay for 1,250 or more hours from the Board during the twelve-month period immediately preceding the unpaid leave. Holidays, earned sick leave, and vacation time for which the employee has been paid but has not worked shall be included in the calculation above. Sick Leave Bank, Workers' Compensation, suspension with pay, and sabbatical leave time will not be counted.

d. Leave, except for certain exceptions described in Part (e) for instructional employees, commences upon the absence of the employee from work and ends on the day and time the employee reports back to work.

e. Instructional employees are subject to additional rules and procedures with regard to leave periods associated with Family and Medical Leave. For the purposes of Family and Medical Leave, "instructional employees" are defined as those employees who are included in the instructional bargaining unit and whose principal function is to teach and instruct students in a class, a small group, or an individual setting.

If an eligible instructional employee requests intermittent or reduced leave which is based upon planned medical treatment and this leave would be for more than 20% of the total number of working days over the period the leave would extend, the Board may require the employee to choose either to:
1. take leave for periods of a particular duration, not greater than the duration of the planned treatment; or
2. transfer temporarily to an available alternative position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee's regular position.

Intermittent or reduced leave under this provision will begin no sooner than the first day where leave is granted and end no later than the last day where leave is granted and will include all dates granted between the beginning and ending dates.
If an instructional employee takes leave near the end of a semester, the Board may require the employee to stay out on leave until the end of the semester according to the following guidelines:

1. **Leave beginning more than five weeks before the end of the semester.** The Board may require the instructional employee to continue taking leave until the end of the semester if:
   a. the leave will last at least three weeks, and
   b. the employee would return to work during the three week period before the end of the semester.

2. **Leave beginning less than five weeks before the end of the semester.** If an employee begins leave for a purpose other than the employee's own serious health condition during the five week period before the end of the semester, the Board may require the instructional employee to continue taking leave until the end of the semester if:
   a. the leave will last more than two weeks, and
   b. the employee will return to work during the two-week period before the end of the semester.

3. **Leave beginning with less than three weeks before the end of the semester.** If an employee begins leave for a purpose other than the employee's own serious health condition during the three week period before the end of the semester, and the leave will last more than five working days, the Board may require the employee to continue taking leave until the end of the semester.

All leave taken under Part (e) will count against the employee's twelve-week entitlement. If the instructional employee's twelve weeks of leave entitlement under the FMLA run out before the leave period is completed, the Board will continue health benefits, restore the employee to his/her previous position unless the employee's position has been affected by reduction in force and/or layoff, and provide other FMLA entitlement throughout the whole period of the leave.

f. Leave for the birth, adoption or placement of a child with an employee as described in Subparagraphs a-1, a-2, and a-3, must conclude within one year from the date of the birth, adoption or placement of the child.

g. The leave mentioned in this section is subject to the following restrictions and privileges:
   1. An employee must first use all available unused earned paid sick leave before unpaid FMLA leave will be granted.
   2. The employee will be restored to his/her former position unless the employee's position has been affected by reduction in force and/or layoff.
   3. The Board shall require materials documenting the reason for the leave before granting a leave of absence under this section.
   4. It is the responsibility of the employee to obtain the necessary documentation and to furnish the documentation to the Board.
   5. The Board may request verification of a medical condition for which leave has been granted under this section at any reasonable interval, but not more often than once every thirty days, unless:
      a. the employee requests an extension of leave;
      b. circumstances described by the original documentation have changed significantly (i.e., the duration of the illness, the nature of the illness, complications); or
      c. the employer receives information that casts doubt upon the continuing validity of the documentation.
   6. If the Board pays the employee contributions missed by the employee while on leave, the employee will be required to reimburse the Board for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments. If an employee fails to return to work for the Board after FMLA leave, the Board shall take necessary steps to recover its share of the health benefit premium payments made on the employee's behalf during a period of unpaid FMLA leave unless the employee's position has been affected by reduction in force and/or layoff.
   7. An employee may continue coverage by continuing to pay the employee's portion of the premiums, including dependent coverage, while on leave.
   8. The employee must notify the Board as soon as practicable once the employee knows that a leave will be needed. For a foreseeable leave, such as for birth, adoption or planned medical treatment, the employee must provide at least 30 days notice to the Board. In all cases, the employee must furnish a request to the Board on a form provided by the Board.
9. Prior to the employee's return to work from an employee disability, the employee shall submit medical certification of the employee's fitness to return to work.

10. The Board retains the right to implement reasonable rules and regulations with regard to the use of leaves of absence within the requirements of the FMLA. This includes but is not limited to requiring a second opinion, at the Board's discretion, from a Board-paid doctor with regard to a medical disability, and the use of forms for requests for leave, physician documentation and fitness to return to work.

11. In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and employee. This third opinion will be final and binding upon the Board and the employee.

   h. Intermittent Leave or Reduced Leave -- An eligible employee who is entitled to a twelve-week leave under the provisions of this section may take that leave on an intermittent or reduced leave schedule in certain cases. An intermittent leave schedule is one in which the employee may take the allowable leave intermittently, or in blocks of days at a time, as needed. A reduced leave schedule is one in which the employee's daily or weekly hours are reduced, as needed. Leave will be granted intermittently or on a reduced leave basis in the case of the serious health condition of the employee or of the child, spouse or parent of the employee, provided that it is medically necessary and that a certification from a physician is obtained. The amount of Family and Medical Leave used where an employee takes leave intermittently or on a reduced leave schedule will be determined in accordance with the applicable regulations of the Family and Medical Leave Act of 1993, currently §825.205 of the Interim Regulations.

   i. Effect of Leave on Board-Paid Benefits -- During the period of leave governed by this section, the Board will pay the portion of the insurance premium which it normally paid prior to the leave, such as major medical, surgical, dental, vision, life, and flexible benefits.

The Board shall approve such claims and authorize the payment thereof provided that the Board shall satisfy itself that the claim correctly states the facts and that such claim is entitled to payment in accordance with the provisions of this section.

SECTION C – Assault, Battery, and Disability

1. Assault and Battery
   In case of any assault and/or battery upon a teacher in the course of his/her employment, the Board shall provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and/or battery and shall promptly render assistance necessary to the teacher in connection with handling of the incident by law enforcement and judicial authorities. In addition, any threat of personal injury or property damage made by a student toward a teacher shall be assessed through the district’s Violence Intervention Procedures for Elementary or Secondary Schools to determine the credibility of such threat. The student shall be removed from the teacher’s class until the threat assessment is concluded and the teacher is notified of the assessment results. If the threat is made by a person not under the jurisdiction of the school board, the teacher will not be required to meet with that person until the matter has been investigated and documented by the principal and the teacher has been notified of the results of that investigation. The teacher has the right to have an administrator present at any future meetings with the person making the threat.

2. Death or Disability
   Compensation for death or disability shall be paid in accordance with the provisions of the Workers' Compensation Law.

SECTION D - Personal Property

1. The Board shall budget a sum of $2000.00 each year to a reimbursement account to reimburse any eligible teacher upon proof of claim for clothing and/or personal property destroyed or damaged as a result of any assault or vandalism upon said teacher in the course of fulfilling his/her employment responsibilities or from any act by the teacher for the purpose of preventing injury to persons or damage to property located on the school site during the times when the teacher is on said site at any school-related activity. No claim covered under other provisions of this Agreement shall be paid from this account.
   If any portion of this account is not expended in any year of this Agreement, an amount equal to the unexpended sum shall be budgeted in addition to the $2000.00 for the following year.
   If said clothing and/or personal property is insured, the employee must submit a claim to the appropriate insurance company. In the event of full reimbursement for such claim, the Board shall make no payment. If the insurance company reimburses all but the deductible amount specified in the employee's policy, the Board will pay an amount equal to the deductible amount not to exceed $500. If the claim is for less than the deductible amount specified or the clothing or personal property is not insured, the Board will pay an amount equal to the current value of the property not to exceed $500.
   To be eligible for reimbursement as described in paragraph 1, the teacher must report the damage to the worksite supervisor as soon as possible and complete the Comprehensive Accident-Injury/Loss form and submit it to the worksite supervisor.
The reimbursement of damaged or vandalized personal property (other than motor vehicle) is limited to those items that the teacher uses to perform his/her job and/or duty responsibilities.

In the event the claim is for vandalism to the teacher's personal vehicle, a copy of his/her automobile insurance policy declaration page and an estimate for repair must be included with the Comprehensive Accident/Injury/Loss Form.

Payment of the claim is subject to the approval by USEP President and Director of Employee Relations.

**SECTION E - Liability**

The Board agrees to maintain liability coverage of not less than that currently in force as stipulated in the agreement(s) with Arthur J. Gallagher and Company and pertinent insurance carriers for the duration of this Agreement. Any teacher who has any claim under provisions of said policy may file such claim with the Board. The Board shall process all claims filed in accordance with this section provided that the claim falls within the incidents covered under such policy.

3. Each teacher assigned to a supplemented activity shall receive a written statement of the additional responsibilities for which he/she is responsible and the amount of the supplement to be awarded for such.

4. Mileage shall be reimbursed at the standard rate established by the District School Board of Pasco County but shall not be at a lesser rate than allowed by the State Department of Education rules and regulations in effect at the time the mileage was accrued.

5. Payroll statements shall contain gross salary for each pay period, an itemized accounting of payroll deductions/reductions made during each pay period, net salary figures per pay period, accrued sick leave, and vacation time.

6. The Board agrees to provide each teacher with his/her W-2 form on or before January 31.

7. All payroll deductions/reductions approved by the Board and authorized by the teacher shall be made by the Board at no cost to said teacher. Such deductions/reductions shall be remitted to the proper agencies within five (5) days after the payroll date in which the deduction/reductions are made.

8. Underpayment and Overpayment

   a. In the event any teacher feels that he/she has been underpaid, the following procedures shall be followed:

      i. Said teacher shall notify the Superintendent or his/her designee of alleged underpayment and the supporting reasons for the allegation.

      ii. The Superintendent or his/her designee shall investigate the above allegation and notify the teacher in writing, providing an explanation and/or verification of the allegation within ten (10) days of the complaint.

      iii. In the event that an underpayment has been verified, the teacher shall receive the full amount of underpayment in the paycheck issued immediately following the verification date.

   b. Any unreported underpayment shall be corrected as soon as possible, with underpayments being corrected by the payroll date following discovery.

   c. In the event any teacher is overpaid by the Board, the following procedure shall be in effect:

      i. Notification of said overpayment shall be provided in writing to the teacher. Said notification shall contain the supporting reasons for and dates of overpayment.

      ii. The teacher shall reimburse the Board the full amount of verified overpayment on a basis mutually agreeable to the teacher and the Superintendent or his/her designee. Said repayment shall not extend beyond the oncoming fiscal year.
SECTION B - Fringe Benefits

1. Health Insurance
   a. The Board agrees to contribute $6,642.98 per eligible employee toward the cost of the benefits package for the 2017 insurance plan year.
      i. An alternative Health Opt-Out Program shall be provided to bargaining unit members who declare that they have health coverage through another provider and who do not choose one of the Board-approved health plans. The amount paid to opt-out program participants will be $1200.00 per year.
      ii. Instructional Retiree Health Opt-Out Program: Effective January 1, 2004, the Board implemented a Retiree Health Opt-Out Program for those retirees who are eligible for district-paid group health insurance in accordance with Article X, Section F-1 of the Instructional Master Contract and who are enrolled in a comparable major medical health insurance plan through another carrier.
         a) When a retiree enrolls in the Retiree Health Opt-Out Program, the Board will pay the retiree the amount being paid to active employees who are participating in the opt-out program. Such amount is subject to federal income tax. An annual payment for the number of months the retiree participates in the Retiree Health Opt-Out Program will be issued in a lump sum in December of the plan year or upon termination of eligibility, whichever occurs first. A participant in the Retiree Health Opt-Out Program will not be required to contribute to the board his/her FRS Health Insurance Subsidy.
         b) A participant in the Retiree Health Opt-Out Program may reenroll in the district-paid group health insurance plan only if he/she is no longer covered by another major medical health insurance plan. Within thirty (30) calendar days following the date of cancellation/termination of the other major medical health insurance plan, the retiree wishing to reenroll in district-paid group health insurance plan must submit to the district’s department of Employee Benefits, Assistance, and Risk Management (EBARM) a written request to reenroll, completed application forms, and a letter from the previous major medical carrier or employer stating date of cancellation/termination of coverage. The letter must be on letterhead from the major medical carrier or employer, include the cancellation/termination date of coverage, and signature of the benefit administrator of the major medical carrier or employer. The effective date of coverage of the district-paid group health insurance coverage will be the first day of the month following the submission of the written request, application, and related documents. The district does not guarantee continuous health coverage.
         c) A retiree who fails to reenroll in the district-paid group health insurance plan in accordance with the timelines set forth in the above paragraph will remain in the Retiree Health Opt-Out Program until Medicare eligible or may elect to reenroll in the Board’s retiree healthcare plan during the next regularly scheduled open enrollment for benefits to be effective January 1 of the following calendar year.
   b. It is agreed that the Board and the Union shall appoint an Insurance Committee consisting of six (6) members – three (3) representing the Board and three (3) representing the Union – for the purpose of reviewing rates and investigating and recommending coverages to the Board and the Union for the purpose of negotiating the aforementioned insurance in subsequent years. The Committee shall meet no later than April 1 of each school year.
   c. Teachers who work four (4) hours per day or twenty (20) hours or more per week for ninety (90) days or more per year shall be eligible for health insurance to the same extent as full-time teachers.
   d. All teachers shall be given the option of choosing dependent coverage, and the cost of such coverage which exceeds the individual premium cost shall be deducted, upon authorization, from said teacher’s paycheck. The rates for dependent coverage shall be furnished to the bargaining unit members and provided to the Union prior to the annual open enrollment date.
   e. The open enrollment for health insurance shall be a minimum of thirty (30) calendar days. Date of open enrollment will be held prior to the anniversary date of the policy.
   f. Any teacher whose dependent status changes who wishes to add or delete dependent coverage after the enrollment period shall be restricted only by the provisions as stated in the Benefit Enrollment/Change Form (MIS#161).

2. Retirement
   The Board agrees to comply with the Florida Retirement System’s rules and regulations relative to employee contributions.
SECTION C – Payroll Deduction for Additional Benefits
1. The parties agree that the Union will be provided with two (2) payroll deduction slots in addition to the dues deduction slot. These slots will be used for Union-designated programs to include but not be limited to purchasing additional insurance, annuity, or other related benefits; voluntary Political Action Committee (PAC) donations; or other Union-sponsored voluntary deduction programs for bargaining unit members.

2. The Union agrees to reimburse the Board for any actual start-up or programming cost incurred which are normally charged to other groups who benefit from payroll deduction services.

3. A single payment will be remitted after each pay period to a depository designated by the Union for each of the two (2) additional payroll deduction slots.

SECTION D – Early Retirement Monthly Benefit
1. Effective January 1, 1997, the Board shall provide a retirement benefit for all instructional bargaining unit members. To qualify for an early retirement benefit prior to June 30, 2018, the instructional bargaining unit member must meet the following criteria:
   a. be 50 years of age or older at the time of retirement;
   b. have 25 or more years of creditable FRS service;
   c. employed on or before June 30, 2001 and who have reached Step 13 on the teacher salary schedule, or whose number of years of experience in the Pasco school district is equal to the number of years of service on Step 13 of the teacher salary schedule, or teachers hired on or after July 1, 2001 who have twelve (12) years of Pasco service, the last ten (10) of which must be Pasco continuous service; and
   d. have retired under the Florida Retirement System (FRS) Defined Benefit Plan (Pension Plan) or who retires with any vested benefit in the Defined Benefit Plan (Pension Plan).
   e. Effective July 1, 2001, those instructional bargaining unit members who meet the above criteria will be eligible to receive the early retirement benefit in accordance with the following:
   f. A member who is at least fifty (50) years of age but less than fifty-five (55) years of age at the time of early retirement will receive an amount equal to thirty-five percent (35%) of the unreduced FRS retirement benefit. The unreduced FRS retirement benefit is calculated using the premise of the member being sixty-two (62) years of age at the time of retirement.
   g. A member who is at least fifty-five (55) years of age but less than sixty-two (62) years of age at the time of early retirement will receive an amount equal to one-hundred percent (100%) of the difference between the unreduced FRS benefit and the reduced FRS early retirement benefit.
   h. At the time of early retirement, if the early retirement monthly benefit has a single sum value (present value) of less than five thousand dollars ($5,000) as of the date the early retirement monthly benefit is first effective, then the Board will provide a one-time lump sum payment equal to the single sum value (present value) of the early retirement monthly benefit.
   i. In lieu of the above, for any employee meeting the above eligibility criteria and who has out-of-state service, or any other qualifying service, and is eligible to purchase such service according to FRS rules and regulations, the district may purchase such service if the purchase of such service would total 30 years and entitle the employee to full retirement under FRS. It is clearly understood that the Board shall provide the monthly benefit or out-of-state service or any other qualifying service whichever is more economical for the Board.

2. This provision shall not prohibit the Board from paying additional retirement bonuses provided for in this Agreement or future bonuses agreed to by the Board and the Union.

3. No employee shall be required by the Board to take advantage of the provisions of this article.

4. If an employee chooses one of these aforementioned early retirement options, the Board will have no further obligation toward his/her retirement benefits.

5. A teacher who selects one of these aforementioned early retirement options is required to retire from the Florida Retirement System (FRS) and terminate his/her employment with the district. Therefore, such teacher is not eligible to participate in the Deferred Retirement Option Program (DROP) as the DROP requires a teacher to retire from the FRS yet continue to work within the district.

6. Effective June 30, 2018, no instructional employee or retiree will be permitted to begin receiving an early retirement benefit under this section. Any instructional employee or retiree already receiving a benefit under this section will continue to receive any benefit to which he/she is entitled.
SECTION E – Deferred Retirement Option Program (DROP)

1. Effective July 1, 1998, employees who qualify for the Deferred Retirement Option Program (DROP) may elect to participate in that program as provided by the procedures set forth by the district and by Florida Statute 121.091. An employee’s salary, benefits, terms, and conditions of employment, as specified in this Agreement will remain in full force during the employee’s participation in the DROP. An employee can void his/her DROP participation at the DROP termination date, re-enroll in FRS and continue in his/her current position in the district, by making such request in writing to the Board at least thirty (30) calendar days prior to his/her original DROP termination date. An employee may resign his/her employment with the Board and terminate his/her participation in DROP prior to the original DROP termination date by submitting an amended resignation to the Board.

2. Employees who elect to enter DROP and elect to receive a lump-sum payment of accrued vacation (annual) leave earned in accordance with Board policy upon beginning participation in DROP, shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits. Employees who receive a lump-sum payment of accrued (annual) leave upon termination of DROP and termination of employment shall have said lump-sum payment paid into a Board–approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits.

3. Effective July 1, 1999, employees who enter the Deferred Retirement Option Program (DROP) and are eligible for one hundred percent (100%) of their accumulated terminal sick leave in accordance with the Meritorious Attendance Incentive Pay, Article X, Section G of the Instructional Master Contract, shall have their accumulated terminal sick leave paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits and according to the following.

4. The initial payment will be made on June 30th following the employee’s DROP effective date. Subsequent payments shall be made each June 30th following the employee’s DROP effective date anniversary.

5. The rate of pay used to calculate the amount to be placed in the 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be the employee’s rate of pay upon entering DROP or the employee’s rate of pay on each payment date. The employee must elect the rate of pay option upon entering DROP. The rate of pay used for the Employer Paid 403(b) Plan is the same rate of pay used in the 401 (a) Qualified Retirement Plan.

6. The 401(a) Qualified Retirement Plan and the Employer Paid 403(b) Plan allows participating employees to defer federal income tax and permanently avoid the payment of Social Security tax and Medicare tax on eligible plan contributions.

7. Employees/DROP participants do not have access to these funds until after they terminate their employment.

8. Employees of the Board who enter the Deferred Retirement Option Program (DROP) remain eligible for Sick Leave Bank participation. However, terminal sick leave days that have been paid to the Board approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be treated as if those days still remain in the employee’s accumulated terminal sick leave balance when determining commencement of sick leave bank benefits, so long as the employee has met the requirements of the Sick Leave Bank appropriate to his/her bargaining unit contract.
Fund Withdrawal: Employees under fifty-five (55) years of age.

9. All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.

10. Upon separation of service or a June 30th payment of accumulated sick leave and maximizing the 401(a) Qualified Retirement Plan contribution, any remaining terminal pay for accrued sick leave or vacation leave, subject to Board and State limitations, will be deposited in an Employer Paid 403(b) Plan. The Employer Paid 403(b) Plan is similar to the 401(a) Qualified Retirement Plan except for contribution limits.

SECTION F – Retiree Healthcare Premium

1. Teachers who retire after January 1, 1997, the Board agrees to contribute the same amount toward the retiree’s health premium each year as it does towards the regular employee’s premium. This contribution will begin upon retirement and continue until the retiree is eligible to receive Medicare Benefits. This contribution is contingent upon the retiree meeting all of the following conditions:
   a. 30 years of service under the FRS or at least 25 years of service under FRS and is at least age 50 at retirement;
   b. at least 20 years of service in the district;
   c. contributes his/her health insurance subsidy received from the State of Florida toward the cost of this medical premium; and,
   d. continues to participate in a Board-sponsored health plan after his/her retirement.

2. Effective July 1, 2000, if a teacher retires as a result of full disability, funds from the insurance funds retained earnings will be used to contribute the same amount toward the retiree’s health premium (medical, dental, and vision) each year as the Board does toward the premium of a regular employee. The contribution will begin upon retirement and continue until the retiree receives Medicare benefits or until twenty-four (24) months have elapsed from the date of retirement, whichever comes first.

   This condition is contingent upon the retiree meeting all of the following conditions:
   a. the teacher must have completed at least ten (10) years of creditable service under the Florida Retirement System (FRS);
   b. the teacher must have completed at least ten (10) years of service in the district;
   c. the teacher must be approved for full disability retirement under FRS and have provided the district with proof of application for full disability retirement under the Social Security Administration;
   d. the teacher must contribute his/her health insurance subsidy received from the State of Florida toward the cost of the health premium; and
   e. continues to participate in a Board-sponsored health plan after his/her retirement.

3. Any employee hired on or after January 1, 2014, will not be eligible for the benefits provided for in this section. Any employee hired prior to January 1, 2014, will continue to be eligible for the benefits provided for in this section.

SECTION G – Meritorious Attendance Incentive Pay

1. Retirement Incentives

   The District School Board of Pasco County will provide meritorious attendance incentive pay to members of the bargaining unit at normal retirement (retirement under any established retirement plan with full or reduced benefits as provided by law) or to the bargaining unit member’s beneficiaries if service is terminated by death. Meritorious attendance incentive pay shall be determined as follows:
   a. During the first three (3) years of service in a Florida school district, the daily rate of pay multiplied by 35 percent (35%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.
b. During the next three (3) years of service in a Florida school district, the daily rate of pay multiplied by 40 percent (40%) times the number of days of accumulated sick leave credited with the District School Board of Pasco County.

f. During and after the twentieth (20th) year of service in the Pasco County School District, the daily rate of pay multiplied by the number of days (100 percent) of accumulated sick leave credited with the District School Board of Pasco County.

g. Payment of meritorious incentive pay shall be made no later than thirty (30) days after completion of all the following steps:
   1. Written statement regarding disposition of accrued sick leave.
   2. Last day of employment.
   3. Board action on termination.

h. The Board will provide a 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan that defers federal income tax and permanently avoids the payment of Social Security and Medicare tax on meritorious attendance incentive pay for those employees retiring under the Florida Retirement System (FRS) with full or reduced benefits and who meet the following:

**Fund Withdrawal: Employees under fifty-five (55) years of age.**

All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.

i. Teachers who retire under the Florida Retirement System (FRS) with full or reduced benefits as provided by law and who receive a lump-sum payment of accrued vacation leave earned in accordance with Board policy and who meet the participation requirements provided in Article X, Section G-1h) of this Agreement, shall have said lump-sum payment of accrued vacation leave paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limit and subject to the same fund withdrawal penalty reimbursement as provided in Article X, Section G-1h) of this Agreement.

This language shall not apply to employees who choose to transfer their accumulated sick leave to another Florida school district.

SECTION H – Group Medical Benefits Recovery Incentive Program (Indemnity – PPO and HMO Programs)

The District School Board of Pasco County agrees to establish a Group Medical Benefits Recovery Incentive Program. This program is designed to provide a cash incentive to employees who discover and arrange for the recovery by the group medical benefits carrier/administrator of overcharges made on their own or insured dependents’ medical bills which in turn result in benefit dollars saved by the employees’ Group Medical Benefits Plan. This program will be in effect only when the medical benefits carrier/administrator agrees to its provisions.

1. The cash incentive paid to an insured employee who discovers an overcharge on a medical bill for that employee or his/her dependent and paid as an allowable charge by the School Board group medical benefits carrier/administrator shall be fifty percent (50%) of the amount of the over-charge that is recovered by the group medical benefits carrier/administrator as a result of direct negotiations between the employee and the provider and shall be limited to a maximum of 1,000 dollars for each overcharge. No refund shall be made to the insured employee until the group medical benefits carrier/administrator receives the actual refund from the provider of service.

3. The employee shall contact the Union to obtain a Request for Reimbursement form and procedures. After the overcharge has been recovered, the group medical benefits carrier/administrator shall disburse a check to the employee in the amount of the cash incentive. Cash incentives are considered income to employees for tax purposes and subject to being reported on their federal income tax return.

4. The Board shall not get involved in resolving any differences between the employee and the medical providers of service with respect to disputed charges. Insured employees shall be solely responsible for handling such disputes.

SECTION I – Employee Assistance Program (EAP)

Participation or nonparticipation in the EAP shall be voluntary and shall not be a factor in any adverse employment action by the Board. All personally identifiable information relating to an employee as a result of an employee’s participation in the EAP shall be held in strictest confidence by the director and staff of the EAP and such shall not be made a part of or otherwise noted in the employee’s personnel file.

An EAP Committee will be established for the purpose of evaluating the services provided which shall include, but not be limited to, the services provided, the cost and funding source, availability, accessibility, utilization, and its effectiveness toward meeting the needs of the employees. The committee shall meet periodically during the school year and by May 1 of each year shall make recommendations to the Board and USEP for the purpose of further negotiating the improvement and/or revision of the program. The EAP Committee will function as a subcommittee of the current Insurance Committee. The Board and USEP will mutually agree to appoint members to the EAP subcommittee who are not current members of the Insurance Committee. The EAP Committee shall consist of an equal number of members selected by the Board and USEP.

   b. Extended School Year Program Schedule / Summer School Schedule - Teachers employed for the Extended School Year Program Summer School will be paid at their regular base hourly rate, exclusive of all supplements except those provided for advanced degrees, as determined by their placement within the instructional salary range in the Instructional Master Contract in effect for the preceding school year.

Pay for newly employed teachers shall be determined according to the instructional placement schedule as follows:

a. Effective July 1, 2011, all newly hired teachers shall be given year for year experience for each year of full-time teaching service for which a teacher held a valid teaching certificate and received a satisfactory evaluation, with the following two (2) exceptions:

i. teachers previously retired from the District School Board of Pasco County, shall be given year for year experience for each year of full-time teaching service for which a teacher held a valid teaching certificate and received a satisfactory evaluation, not to exceed seven (7) years; or

ii. teachers previously retired from any other school or school District, shall be given year for year experience for each year of full-time teaching service for which a teacher held a valid teaching certificate and received a satisfactory evaluation, not to exceed five (5) years.

Other related creditable work experience for which the District counts toward placement on the salary schedule shall not exceed seven (7) years of service. When a combination of teaching experience and related-creditable work experience is to be considered, related-creditable work experience cannot be used to increase the total years beyond seven (7) years of experience.

Effective July 1, 2006, all newly hired Speech Language Pathologists holding either teacher certification or professional licensure shall be given year for year experience for each year of full-time therapy experience with school age children. Speech Language Pathologists will continue to be eligible for other related creditable work experience as provided in the above paragraph.

b. Between July 1, 2001, and June 30, 2011, all newly hired teachers shall be given year for year experience for each year of full-time teaching service for which a teacher held a valid teaching certificate and received a satisfactory evaluation. Other related creditable work experience for which the District counts toward placement on the salary schedule shall not exceed seven (7) years of service. When a combination of teaching experience and related-creditable work experience is to be considered, related-creditable work experience cannot be used to increase the total years beyond seven (7) years of experience.

Effective March 10, 2003, all teachers hired before July 1, 2001, whose teaching experience was capped at seven (7) years and who had not yet obtained step 26 on the salary schedule, were advanced to the step they would have been on if all applicable experience was recognized as if hired on or after July 1, 2001.

Prior to July 1, 2001, each year of teaching or creditable work experience shall be considered as experience within the District on a year-for-year basis to a maximum of seven (7) years for teachers employed after July 1, 1977. For all teachers employed prior to July 1, 1977, each year of teaching or creditable work experience shall be considered as experience within the District on a year-for-year basis to a maximum of ten (10) years.

c. Any teacher employed in Pasco County whose teaching was interrupted due to active military service shall be granted experience for a maximum of four (4) years as if he/she had been teaching within the District.

d. State Teacher of the Year: As provided by Florida Statute 1012.22(c)(2), creditable work experience shall be considered as experience within the district on a year-for-year basis for the total prior teaching experience of a person who has been designated state teacher of the year by any state in the United States.

e. A Teacher-Headstart-Noncertified or Teacher-Prekindergarten-Noncertified shall be granted one (1) year for every two (2) years of experience to a maximum of seven (7) years credit when he/she earns a Bachelor Degree and is eligible to receive a state teaching certificate. Such experience must be earned while serving in such capacity and within the district.

f. In no event shall any experience credited to any teacher currently employed be diminished by the provisions of the above paragraphs.

g. To receive experience credit, a teacher must submit evidence of such experience, according to the procedures established by the Office for Human Resources and Educator Quality. The time period to
submit such documentation shall not be less than ninety (90) days from the date of hire.

4. **Advanced Degree/18 Hour Credit**

Instructional personnel who wish to receive additional compensation for an advanced degree or eighteen (18) semester hours successfully completed after the conferral date of a Bachelor’s or Master’s degree, must submit to the Office for Human Resources and Educator Quality according to procedures established by the department:

- one (1) set of official transcripts,
- the appropriate form,
- and in the case of a Specialist of Education degree, verification of being awarded the Specialist of Education degree and/or unconditional admission to candidacy for the Doctorate degree.

A representative from the Office for Human Resources and Educator Quality will acknowledge receipt of the form and transcripts to the applying employee.

Instructional personnel will receive the appropriate salary supplement once the advanced degree or additional semester hours and applicable certification are verified. The supplement for advanced degrees shall be retroactive to the first pay period following the date of eligibility according to the requirements listed below, or the beginning of the school year in which the supporting documentation is submitted, whichever is later, and an adjustment will be made in subsequent paychecks.

Teachers hired on or after July 1, 2011, shall be entitled to receive additional compensation for advanced degrees or additional credit hours earned in the individual teacher’s appropriate area(s) of certification as specified by Florida Statute 1012.22.

Teachers hired prior to July 1, 2011, shall be entitled to receive additional compensation for advanced degrees or additional credit hours, regardless of certification areas.

Instructional personnel who successfully complete eighteen (18) hours of credit after the conferral date of their bachelor’s or master’s degree will receive a salary supplement retroactive to the first pay period following the term during which the last course which establishes eligibility is completed, or the beginning of the school year in which the supporting documentation is submitted, whichever is later.

Credit hours under this agreement refer to semester hours. Quarter hours will be equated to semester hours by making a quarter hour equal to two-thirds (2/3) of a semester hour.

It is understood that it is the responsibility of the employee to initiate the above action. A representative from the Office for Human Resources and Educator Quality will acknowledge receipt of the form and transcripts to the applying employee.

Retroactive action applies during the school year in which the form is submitted. For this purpose, a form accompanied with transcripts must be submitted to the Office for Human Resources and Educator Quality no later than June 30. In case of extenuating circumstances, the June 30 deadline may be extended at the discretion of the Superintendent or his/her designee.

**Advanced degree supplements will be paid at the following rates, which are based upon a 196 day school year:**

ADDENDUM B

SUPPLEMENT SCHEDULE

1. Any teacher assigned to a supplemented position shall receive full supplemental pay for each supplemented position to which he/she is assigned. To provide teachers an opportunity to apply for vacant supplemented positions shown in this addendum as Department/Grade Level Chairperson/Team Coordinator/PLC Facilitator, principals will post such positions at the respective school when they become available, and interested teachers may submit their names. These positions normally include department heads, grade chairpersons, team coordinators, learning community leaders, team leaders, etc.

2. Supplementary pay shall be prorated over the period of time during which the activity or responsibility is scheduled to be performed unless otherwise stipulated.

3. Class and/or club sponsors will not be held responsible for clerical tasks related to sponsorship(s) with the exception of voluntary activities such as car washes and bake sales.

4. When assigning supplemented coaching positions, teachers within the bargaining unit or those newly hired teachers who will be in the bargaining unit who have the training or experience necessary to coach a specific sport shall be given priority over all other applicants for that specific sport.

5. Whenever a vacancy in a supplemented coaching position occurs, the Board shall publicize the vacancy to the Union and provide for appropriate posting in the schools. Each coaching vacancy advertisement shall specify the time of day that the applicant must be available in order to coach the sport.

6. Teacher Mentor Program

   The Teacher Mentor Program will provide support services to all new teachers to the district. The program shall have “Basic Teacher Mentors” who serve all instructional staff other than ESE teachers and “ESE Teacher Mentors” who serve all ESE teachers. Teacher Mentors will be required to have completed Clinical Education. In addition to serving new ESE teachers to the district, the ESE Teacher Mentors shall serve the following:

   a. Teachers who are teaching ESE for the first time and who have previously taught in another program in the district;

   b. ESE teachers who are out-of-field for the first two (2) years; and,

   c. Long-Term Substitute Teachers who are assigned ESE positions.

   ESE teachers, who are not new ESE teachers to the district, will be served only if the district receives sufficient grant funding to support the service. For the purpose of contract clarity, “Basic Teacher Mentor” and “ESE Teacher Mentor” will be referred to as Teacher Mentor. No Basic Teacher Mentor shall be assigned more than two (2) beginning teachers and no ESE Teacher Mentor shall be assigned more than four (4) eligible ESE teachers. The second, third, and fourth mentor teacher assignments must be by mutual agreement between the Teacher Mentor, the teacher served, and the administration.

   The responsibility of the Teacher Mentor will be construed to begin on the first date of employment for the teacher being served.

   Payment

   Each school year the Teacher Mentor will receive the amount specified in the Academic Supplement Schedule for each teacher assigned. The Teacher Mentor Program supplement will be prorated over the time period during which the responsibility is scheduled, not to exceed more than 196 days in any one school year, and paid at the end of the semester. In a case where a teacher being served resigns before completing the program, the Teacher Mentor supplement will be terminated effective the last day of employment for the teacher being served.

7. Career and Technical Student Organizations (CTSOs) – High School and Middle School

   Job Preparatory Career Training will receive an annual supplement for sponsoring co-curricular organizations providing:

   a. An active CTSO is established that is identified in the curriculum frameworks for the content areas (active is defined as meeting at least monthly after school hours).

   b. The CTSO meets minimum requirements for membership numbers as established by the district and/or state organization, if applicable.
c. Documentation is provided for student participation in applicable district, regional, state, and/or national competitions.
d. Documentation is provided for participation in student leadership development workshops/activities.
e. Sponsors are expected to attend all competitions.
Agriculture teacher supplements already specify CTSO participation so they will not receive an additional supplement. If minimum numbers of students do not join the CTSOs, it is understood that the CTSO requirement in the curriculum frameworks cannot be met.

FEDERAL DRUG AND ALCOHOL TESTING PROGRAM FOR HOLDERS OF FLORIDA CLASS A OR B COMMERCIAL DRIVERS LICENSES

The Board and Union recognize that employees who are required to hold a Class A or Class B Commercial Driver License (CDL) as a condition of employment (hereinafter referred to as covered employees) must comply with the Omnibus Transportation Employee Testing Act of 1991 (OTETA), regulations of the Federal Highway Administration contained in 49 CFR Parts 40 and 382, et. al. and Section 1012.45, Florida Statutes.

Notification
The Board shall provide all covered employees with educational materials that explain the requirements of the Program and the Board’s policies with respect to meeting these requirements. Each employee who has received a copy of these materials shall be required to sign a statement certifying that he/she has received a copy of these materials.

Testing
Testing of covered employees shall be done in accordance with applicable federal and state law. The employee shall be paid his/her regular hourly rate for the time involved for such testing beyond the employee’s normal working hours unless such testing results in an employee working beyond forty (40) hours that week. In such cases, the employee shall be compensated at 1-1/2 times his/her hourly rate. Refusal to report for testing when notified to do so shall be considered a positive test.

Positive Test Results for Alcohol or Prohibited Substances
If a covered employee tests .02 or .039 for breath alcohol, he/she shall be removed from performing the duties of his/her safety-sensitive position for twenty-four (24) hours. If the employee has accrued sick or vacation leave, he/she shall be entitled to use such leave during this period. A conference may be held with the employee in an attempt to determine why he/she tested .02 to .039 so as to prevent a recurrence.
If an employee tests .04 or higher for breath alcohol or tests positive for any prohibited substance, he/she shall be removed from performing the duties of his/her safety-sensitive position, and he/she shall be referred to a substance abuse professional. In addition, there will be other employment consequences which may include termination. In the event that the primary specimen confirms the presence of prohibited substances, and the employee believes there has been an error in the analysis, he/she may request that the split specimen be tested. The cost of this second analysis shall be the responsibility of the employee. However, should this analysis produce a negative result, the Board shall reimburse the employee for the cost.

Reasonable Suspicion
When a supervisor believes that a covered employee is in violation of OTETA regulations, he/she shall confer with the district OTETA administrator or designee who shall decide whether to proceed further. If the OTETA administrator or designee meets with the employee for the purpose of notifying him/her that reasonable suspicion testing will be required, he/she shall do so in conjunction with a trained supervisor. A Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving an alcohol test, the meeting will not be delayed if the Union representative is unable to be present at the specified time for the meeting to begin. During the meeting, the OTETA administrator will cite the indicators which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Confidentiality
Confidentiality required by OTETA regulations will be observed, and no voluntary report of a test required by these regulations shall be made to the Florida Department of Highway Safety and Motor Vehicles.

ADDENDUM E

CONTRACT WAIVER REQUEST

1. In an effort to provide an educational environment that enhances student learning, schools may explore new educational programs, instructional strategies, organizational strategies, organizational patterns, and/or other learning-related functions. Such endeavors may require some part of the Instructional Master Contract language to be waived.

2. A contract waiver must be approved whenever a program is being proposed that would alter any provisions of the Instructional Master Contract. However, the Board and Union will consider a waiver for only the following sections in Article VII:
   a. Section L - School Day,
   b. Section N - Non-Teaching Duties,
   c. Section S - Teaching Assignments and Duties, or
   d. Section V - Miscellaneous.

3. Should a school pursue such a waiver, the procedures as stipulated below shall be followed.

   Notification Requirements:
   a. As soon as possible but no later than February 1, the principal must submit the Notification Form (Appendix C) to the USEP President, the Director of Employee Relations, and the faculty that a study is being undertaken of a program or activity that, if implemented, may alter language in the Instructional Master Contract as specified in paragraph two (2) above.

   Approval Process
   1. The Principal, Director of Employee Relations, and the President of USEP shall mutually determine and agree on the teachers whose contractual rights will be affected by the proposed contract waiver and, therefore, eligible to vote.

   2. A secret ballot will be held under the supervision of the principal of the school and the Director of Employee Relations/designee, and President of USEP/designee. The principal, President of USEP, and Director of Employee Relations shall agree to the date, time, method of the vote, and procedures for absentee ballots. The affected teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given three (3) days’ advance notice of the voting date. A ballot must be given to each teacher eligible to vote and each teacher shall be given the opportunity to cast such ballot. Approval by seventy-five percent (75%) of the teachers eligible to vote is required. A valid vote shall not be rescinded.

   3. The final proposal of the program/project shall be presented to all bargaining unit members at the school and fully explained by the principal. The teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given five (5) days’ notice of such meeting. At least five (5) days prior to the explanatory meeting, the principal shall provide teachers affected by the proposed contract language to be waived, a written copy of the proposed plan which describes the proposed modifications to terms and conditions of employment for those teachers affected.

   4. The Principal shall submit the Waiver Request Approval Form (Appendix D) to the Director of Employee Relations and the President of USEP if seventy-five percent (75%) of the ballots in two (2) above are in favor of the waiver.

   5. Any challenge of the voting process, procedure, or results will be referred to the President of USEP and the Director of Employee Relations for a resolution.

   6. A “No” vote will require waiting until the next school year before starting the waiver process again.

   7. Upon approval by the USEP President and the Director of the Department of Employee Relations, contract waivers may be granted for up to one (1) year and shall be non-precedent setting.

4. To renew a Contract Waiver, the school must follow the steps in number three (3) the Notification Process and Approval Process above.
5. The Waiver Request must be submitted to the Director of the Department of Employee Relations and the President of USEP before May 1.

6. If specified in the Waiver Request, an evaluation of the program shall be conducted to continue the waiver for its duration.

7. For vacancies that will be in effect during the Contract Waiver period, notification and explanation of a Contract Waiver that is in effect must be included in all job postings and interviews.

8. No programs shall exist which are not in compliance with contract language or which have not been approved by this process.

ADDENDUM F

REASONABLE SUSPICION DRUG TESTING PROGRAM

As part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work and our students to attend, and to promote a drug-free working environment, the Pasco County School Board (Board) has established this Reasonable Suspicion Drug Testing Program (Program) relating to the abuse of drugs (including alcohol) by its employees. This Program has been prepared so as not to conflict with public policy, and, further, not to be discriminatory or abusive. The ultimate goal of the Program is to balance the Board’s respect for privacy with its need to keep a safe, productive, drug-free environment. Reasonable suspicion drug testing shall be required by a supervisor or designee, outside the bargaining unit, who has been trained for at least sixty (60) minutes on alcohol misuse and an additional sixty (60) minutes on controlled substance misuse. All test results will be kept confidential to the extent allowed by law.

Employees who engage in prohibited drug related conduct as verified by the testing results must be immediately removed from duty.

Any employee who is in violation of the Program shall be subject to discipline up to and including dismissal or required to participate in and complete a drug-abuse or alcohol rehabilitation program (rehabilitation program) as a condition of continued employment. The opportunity to participate in a rehabilitation program as a condition of continued employment will be offered only to employees who test positive for drugs or alcohol and who have not been previously found to be in violation of any provision of this Program. The employee is responsible for all costs associated with the rehabilitation program and will provide evidence of satisfactory completion of all phases and terms of the rehabilitation program to the Board. The rehabilitation program will include the involvement of a Substance Abuse Professional (SAP) approved by the Board. The SAP will evaluate the employee and make recommendations relative to fitness to return to work, appropriate education, treatment, follow-up tests, and aftercare. The employee will sign an authorization and release of information form allowing the SAP to release, and the Board to obtain, information relative to the employee’s progress in the rehabilitation program. The employee will be on leave pending the successful completion of the rehabilitation program. The employee may use accrued sick leave during this period if available; otherwise, the leave will be unpaid. Upon completion of the rehabilitation program, the employee will be returned to work in a position similar to the position held when the violation occurred and for which he/she is qualified in the judgment of the Superintendent. An employee returning to work following successful completion of a rehabilitation program will be subject to random unannounced follow-up testing for one calendar year or longer if required by the SAP as part of the rehabilitation program.

The provision allowing entry into a rehabilitation program does not preclude the employee from being disciplined for other violations of the Program or other behaviors which would otherwise subject the employee to discipline up to and including termination of employment. These other behaviors include an employee’s actions or behaviors at the time suspected drug or alcohol misuse is determined.

When a meeting is called to inform an employee that reasonable suspicion testing is required, a Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving tests, the meeting will not be delayed if the Union representative is unable to be present at the time specified for the meeting to begin. During the meeting, the supervisor calling the meeting will cite the indicators, which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.
Any employee who is discharged from the rehabilitation program for unsuccessful participation will be recommended for termination from employment. Any employee who is in violation of the Board’s Program a second time will be recommended for termination.

**Definitions**

“Drug” is defined as: alcohol, including a distilled spirit, wine, a malt beverage, or an intoxicating liquor; an amphetamine; a cannabinoid; cocaine; phencyclidine (PCP); a hallucinogen; methaqualone; an opiate; a barbiturate; a benzodiazepine; a synthetic narcotic; a designer drug; or a metabolite of any of the substances listed in this paragraph. Employees tested under reasonable suspicion testing shall be tested for the following drugs: cannabinoids, cocaine, opiates (morphine), amphetamines, phencyclidine (PCP), benzodiazepines, barbiturates, methadone, propoxyphene, and alcohol.

**Notification**

Prior to implementation, the Board will provide all employees with an orientation that includes educational materials that explain the requirements of this program and the Board’s policies with respect to these requirements. Each employee who has received these materials shall be required to sign a form certifying that he/she has received a copy of the materials.

An employee may be subject to a drug screening test under any of the following circumstances:

1. Where there is a finding of reasonable suspicion based on specific facts and inferences reasonably drawn from these facts in light of experience which would lead a prudent person to reasonably suspect that the employee was under the influence of illegal drugs or alcohol.
2. When an employee’s conduct or appearance is directly observed or perceived as indicative of being under the influence of a drug or alcohol during work time. It is the Board’s intention that such an observation be made by two or more supervisors trained in alcohol and controlled substance misuse before requiring a reasonable suspicion drug test. However, this is not a requirement.
3. When an employee is found in possession of suspected illicit drugs or drug paraphernalia, or when suspected illicit drugs or paraphernalia are found in an area controlled or used exclusively by the employee.
4. As part of a rehabilitation program or as specified in the agreement.
5. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on school board property.

**Testing**

Testing of employees shall be done in accordance with the applicable federal and state law.

Refusal to submit to a drug screening test is defined as:

1. failing to provide adequate breath for alcohol testing without a valid medical explanation;
2. failing to provide adequate urine for drug testing without a valid medical explanation;
3. engaging in conduct that clearly obstructs the testing process; or
4. tampering with a drug test.

Failure to comply or provide an adequate urine or breath sample, absent a documented and verified medical excuse, shall be determined to be a positive test result.

**Follow-up Testing**

Should the employee successfully complete the drug-abuse or rehabilitation program, the employee, upon returning to work, shall be subject to follow-up drug or alcohol testing as determined by the SAP or as specified in this agreement.

This program will take effect on September 1, 2008.

Employees in safety sensitive positions covered by provisions of the Omnibus Transportation Testing Act (OTETA) as outlined in Addendum D of this agreement are not subject to this program.

**END OF ADDENDUM F**
INSTRUCTIONAL ECONOMIC PROPOSAL 2016-2017

The grandfathered pay plan and performance pay plan shall refer to the grandfathered salary schedule and performance salary schedule required by Florida Statute 1012.22. A teacher on an annual contract as of July 1, 2014, shall be automatically placed on the performance pay plan described in this proposal. A teacher on continuing contract or professional services contract will be placed on the grandfathered pay plan as described in this proposal as the default. These employees may opt into the performance pay plan if they affirmatively elect to do so and relinquish their continuing contract or professional services contract and agree to be employed on annual contract, as required by law. An employee who relinquishes his/her continuing contract or professional services contract may not return to the grandfathered pay plan or his/her continuing contract or professional services contract. Accordingly, the Board and Union have agreed to the following:

1. Salaries
a. Salary Schedules
   1. Salary increases for 2016-2017 will be in compliance with Florida Statute 1012.22 and will be paid according to the performance pay plan and grandfathered plan as described in this proposal.
   2. $6,301,226 will be provided for total instructional salary increases. By redirecting the raise funds forfeited by employees who have left employment with the District during the 2016-2017 school year, the District can increase the total raise percentage for the remaining eligible employees to approximately 3.0%, retroactive to July 1, 2016. One half of this amount, $3,150,613 will be provided for instructional employees to receive a cost of living increase of one point five percent (1.5%) of their current base pay, exclusive of all supplements. Instructional employees with an instructional seniority date on or before June 10, 2016, will be eligible for the cost of living increase described in this paragraph.

3. The following formula will be used to determine the distribution of the remaining $3,150,613 made available for instructional salary increases pursuant to the performance pay plan and grandfathered pay plan.
   a. Define the number of teachers in each base category: Grandfather (GF), PFP Effective (E), PFP Highly Effective (HE). Grandfather equals 1 salary factor, PFP Effective equals 1 salary factor and PFP Highly Effective equals 1.33 salary factors.
   b. For the 2016-2017 school year, summative evaluations for 2014-2015 shall be used to determine whether a teacher on the performance pay plan is Effective or Highly Effective. Teachers who are on the performance pay plan who received less than an Effective summative evaluation for 2014-2015 will not be eligible for an increase in salary under the performance pay plan. Teachers who are on the performance pay plan who did not receive a summative evaluation for 2014-2015 will receive one half of the grandfathered salary factor increase if they worked sufficient days in 2015-2016 to have met the year of service requirement. Teachers who are on the performance pay plan will receive the appropriate increase for earning Highly Effective or Effective as described above if they worked sufficient days in 2015-2016 to have met the year of service requirement. Teachers who are on the grandfathered pay plan will receive the grandfathered salary factor increase if they worked sufficient dates in 2015-2016 to have met the year of service requirement.
   c. Multiply the number of teachers in each category by the corresponding factor.
   d. Divide the total amount of funds available by the total teacher factor.
   e. Multiply the amount determined by the factor for each category to determine salary increase.

4. The District will cover the cost of additional required contributions to the Florida Retirement System in the amount of $611,313. The District will also continue to provide $250,000 for non-recurring one-time
supplements for teachers who meet the criteria for differentiated pay categories. Teachers will be eligible for this supplement provided that they are employed in Title One eligible or DDD/F schools or are employed and properly certified in critical shortage subject areas as defined by the District from October 1, 2016 – April 30, 2017. For the 2016-2017 school year, Critical Shortage for the purposes of differentiated pay is defined as: School Psychologist, Speech Language Pathologist, Teacher – Autism Spectrum Disorder, Teacher – Emotionally Behaviorally Disabled, Teacher – Health Public Service Occupation Education, Teacher – High School Math, Teacher – High School Science, Teacher – Middle School Math, Teacher—Technology Education.

Teachers are eligible to receive a supplement meeting the criteria for Title One eligible or DDD/F but not both. Teachers on the performance pay plan and grandfathered pay plan are eligible for these supplements.

**Differentiated Pay Categories/Supplements**
- Title One eligible or DDD/F
- Critical Shortage

5. The placement schedules contained in Addendum A will be used to place instructional employees hired on or after July 1, 2016, onto the instructional salary range. Except as otherwise noted, supplement schedule amounts will remain the same as during the 2015-2016 school year.

6. The payment and increases shown above will be provided retroactively to July 1, 2016, for current bargaining unit members employed on the date of Board ratification. However, such increases will not be provided to bargaining unit members who left the District prior to Board ratification for any reason other than retirement. In addition, should the District’s budgetary status improve during the 2016-2017 school year, the Board and the Union agree to meet to examine the possibility of compensation improvement.

2. **Additional Compensation for Secondary Teachers Providing an Additional Period of Instruction.**
   For the 2016-2017 school year, teachers who agree to provide an additional period of instruction beyond what is expected of other teachers at his/her school shall continue to be paid a supplement of $5,000 annually, or $2,500 on a semester basis. Full time teachers at Marchman Technical College, except those employed prior to July 1, 1997, shall receive this supplement.

3. **Fingerprint Retention Fees**
The Board will continue to pay fingerprint retention fees for teachers, estimated to be $33,000 for the 2016-2017 school year.

4. **Fringe Benefits**
The Board agrees to contribute $6,642.98 (an increase of $257.18) per eligible employee, toward the cost of the health insurance benefit package for the 2017 insurance plan year.

The Board’s contribution will be used to pay those premiums associated with the fully-insured benefits contained in the health insurance benefit package, to pay all claims and administrative costs incurred and associated with the self-insured benefits contained in the health insurance benefit package, and to contribute towards the insurance reserve account for the self-insured benefits contained in the health insurance benefit package. For the 2016-2017 school year, the District will continue to offer the annual health risk assessment incentive of up to $250 per employee.

Should there be any surplus once the District has set aside funds to pay all fully insured premiums, all self-insured incurred claims, all administrative costs associated with the health insurance benefits package, and funded the insurance reserve/surplus account to the level identified by the District Insurance Committee, then such surplus will be placed in the insurance reserve/surplus account and applied towards the insurance costs and/or reserve for the 2018 plan year. Should increases in costs for the products and services contained in the health insurance benefit plan affect the insurance reserve/surplus account, the District will continue to offer the annual health risk assessment incentive of up to $250 per employee.
package require an additional District contribution in excess of the operating dollars budgeted for the 2017 benefit year, the Board and the Union will meet to decide how to balance any such deficit.

In addition, the alternative “opt-out” program shall be provided to bargaining unit members with existing coverage who do not choose one of the Board-approved health insurance plans. The amount of this “opt-out” will be $1,200.

Effective with the 2013-2014 school year, employees receiving the District’s health insurance benefit package who terminate employment after working through the final day of his/her respective work calendar shall continue to receive Board contributions towards his/her health insurance benefit package through the end of August of that plan year.

MEMORANDUM OF UNDERSTANDING
Differentiated Accountability Schools Training

For the 2016-2017 school year, the State has identified six (6) Pasco County Schools, RBCES, PES, HES, LES, GSES and GHES, as Differentiated Accountability Schools. As part of the state-required turnaround planning process for these schools, the District provided each of these six (6) schools with grant funds to provide additional time for professional learning community, professional development, and community/parent involvement activities. The schedule for the allocation of this additional time will be distributed to teachers at each school no later than the week of teacher pre-planning, and teacher attendance at these identified activities will be expected, with the following criteria:

1. Teachers will be paid their regular hourly rate of pay for any additional hours worked beyond the regular workday.
2. Any teacher who is unable to meet any portion of the established expectation for additional time should consult with his/her administrator to determine alternative means by which the training or planning requirement can be met.

Teachers must be in attendance at an activity to receive compensation for that activity and leave time may not be used to substitute for attendance at any scheduled additional activity.

Transfer Right
Notwithstanding any provision of state law or state board rule, teachers at schools identified as needing assistance through the District’s DA action plan who are evaluated by any measure as less than “Effective” for the 2016-2017 school year, may be involuntarily transferred to another position for which they are qualified in the judgment of the Superintendent.

MEMORANDUM OF UNDERSTANDING
Elementary and Secondary Education Act/No Child Left Behind Impact on Instructional Staff

In an attempt to minimize the impact of the Elementary and Secondary Education Act (ESEA)/No Child Left Behind (NCLB) Act on instructional staff, the Board and Union agree to the following provisions:

1. It is the Board’s intent to keep teachers who are currently “highly qualified” in positions for which they hold a temporary or professional certificate with appropriate coverage.
2. The Board shall make every effort to minimize the number of core academic subject areas for which a teacher must obtain a temporary or professional certificate with appropriate coverage.
3. The Board shall provide at no cost to the teacher, staff development opportunities for those teachers seeking to add the reading endorsement to their certificate and shall give priority to those teachers identified as needing the reading endorsement.
4. The Board shall provide reimbursement for subject area examination fees at the regular administration rate to teachers attempting to become “highly qualified.” The Board shall also provide individual teachers reimbursement for a second attempt at passing a specific subject area examination if the teacher is unsuccessful on the first attempt.
5. No new teachers will be hired to fill an advertised position vacancy until all current teachers who do not meet the ESEA/NCLB “highly qualified” definition are provided the opportunity to apply for and be interviewed for the position; provided they hold either a temporary or professional certificate with appropriate coverage.

6. Teachers wishing to transfer under this provision will make their interest known to the principal within the advertised period and will identify that they are seeking assignment priority in accordance with this Memorandum of Understanding. The Board shall give priority to such current teachers over outside applicants when filling vacant positions. Such priority will not supersede priority for involuntary or voluntary transfers resulting from staff reduction.

MEMORANDUM OF UNDERSTANDING
Florida’s K-12 Comprehensive Research-Based Reading Plan and Professional Development Protocol Standards

For the 2005-2006 school year, all districts were required to submit a plan as part of the proviso language which met the Florida Department of Education criteria in order to be eligible for reading and staff development categorical funding. The District School Board of Pasco County’s designated amount was approximately $2 million.

In response to the state requirements of the K-12 Comprehensive Research-Based Reading Plan and Florida’s Professional Development Protocol Standards, the Board and the Union have agreed to the following in order to meet state mandates.

Part of the state criteria requires all teachers to meet weekly in teams comprised of teachers from core subject areas, reading teachers, and various other support personnel. These Professional Learning Community (PLC) teams will work on the following, but are not limited to:

- clarify what students must learn, gather evidence of student learning, analyze the evidence, identify the most powerful teacher training strategies/best practices, and transfer these strategies across all team members;
- build their collective knowledge about the State Standards and Next Generation Sunshine State Standards to clarify what their students must know, understand, and be able to do as a result of each unit of instruction;
- develop materials, lessons, and strategies to improve student reading performance;
- use common assessments to monitor the learning of each student on essential outcomes, and that these common assessments will align to the required outcomes;
- analyze data from common assessments to identify students who need additional time and support for learning, discover strengths and weaknesses in their individual and collective teaching, and help measure team progress toward its common goals;
- seek out relevant data and information and use that information to promote continuous improvement;
- act on the information from their data using a research-based inquiry model to increase teacher/team effectiveness and ensure that all students learn and benefit from our collective best efforts as we close all achievement gaps;
- conduct follow-up activities.

Weekly professional development will be designed for all teachers to meet the needs of their students. Weekly professional development may vary in length but should not be required to exceed forty (40) minutes. Teams will have the flexibility to schedule their meetings during planning time within the student day or scheduled work time before or after the student day, contingent upon principal approval. With the consent of the principal, teams may alter the length of meetings or restructure their work schedules to accommodate meeting times or to provide additional staff development opportunities. Teachers will continue to receive at least one hundred and fifty (150) minutes to plan for their specific classroom activities in accordance with Article VII, Section S-15 of the Instructional Master Contract. Additionally, the planning day at the end of each quarter will be protected from required staff development.

The Board and Union understand that incorporating weekly staff development and required weekly meetings into the teachers’ regular work week impacts the amount of time teachers have to conduct other activities related to their teaching assignments; therefore, principals shall seek to further minimize non-teaching assignments, including but
not limited to committees, faculty meetings, and duties. Further, a school-based work group consisting of teachers and an administrator, will be established to identify, evaluate, and recommend for a faculty vote those committees to be retained or eliminated for that school year. This work group will meet during the first three weeks of school and make its recommendation(s) as soon as possible, but no later than the deadline for the first progress report. This work group will meet during the school year, as needed, to evaluate the decisions made and will reconvene at the end of the school year to determine the following year’s committees.

Teachers will be provided the opportunity to earn approved staff development points as part of the weekly professional development and implementation activities. In accordance with Florida’s Professional Development Protocol Standards, teachers must successfully complete all staff development requirements, including reasonable follow-up activities and documentation to be awarded staff development points.

For the 2016-2017 school year, stipends may be provided to teachers who voluntarily attend staff development on the two scheduled staff development days if funds are available. Some previously scheduled staff development may still be offered on a voluntary basis with no stipend attached. The Board remains committed to providing teachers with opportunities to participate in relevant high-quality staff development, will continue to offer staff development throughout the calendar year, and will explore the feasibility of scheduling at least two non-workdays for teachers within the student calendar for teachers to attend voluntary staff development.

The Board and Union will meet as necessary to, review the district’s professional development programs, and identify potential impacts of various state and federal protocols/regulations and required programs. The parties agree to meet, as necessary, to address any issues that arise from the implementation of this memorandum.

MEMORANDUM OF UNDERSTANDING
Implementation of the Student Success Act for the 2015-2016 and 2016-2017 School Years

The Board and the Union have agreed to the following in an effort to comply with the Student Success Act passed by the Florida Legislature during the 2011 legislative session. This memorandum will supersede sections of the current collective bargaining agreement, where indicated, to comply with the Student Success Act.

A. Definitions
1. The term state assessment shall refer to any standardized state approved assessment for a given course or subject.
2. The term district assessment shall refer to any district created and/or adopted assessment for a given course or subject.
3. The term alternative assessment shall refer to assessments other than state assessments or district assessments described above. The Board and the Union agree that they will continue discussions throughout the 2015-2016 and 2016-2017 school year regarding the use of such alternative assessments.
4. The term value added model shall refer to any formula adopted by the state for the purpose of measuring student learning growth for summative evaluation purposes.
5. The term student performance measure (or metric) shall refer to the percentage of students meeting or exceeding the expectations established by a state approved added value model formula(e), state assessment standards, or district approved assessment/instrument unless otherwise specified.
6. The term three years of data shall refer to the current year plus the two immediately preceding school years of student growth measures.
7. The term teacher observation instruments shall refer to the forms and rubrics developed by Dr. Robert Marzano and adopted and/or modified by the District for teacher evaluation purposes. These Marzano forms are:

9. The term formal/announced observation shall refer to extended classroom visits by administrators to document a teacher’s use of the classroom behaviors and strategies identified on the classroom and nonclassroom teacher observation instruments, as well as to assess a teacher’s progress towards his/her Deliberate Practice goal(s). For the purpose of conducting a pre-conference, teachers will be given a one week window during which the formal/announced observation will be held.

10. The term formal/announced observation cycle shall refer to the pre-observation conference, the formal observation and the post-observation conference. The pre and post observation conferences are an integral part of the formal observation cycle, however only completion of the post-observation conference shall be required in the electronic observation platform.

11. The term informal/unannounced observation shall refer to unannounced classroom visits by administrators to document a teacher’s use of the classroom behaviors and strategies identified on the teacher and nonclassroom observation instruments, as well as to monitor a teacher’s progress towards his/her Deliberate Practice goal(s). Such visits will generally be for the length of a lesson, not to exceed 50 minutes. Feedback will be provided to the teacher through the electronic observation platform and will be additional data points in the observation cycle.

13. The term electronic observation platform shall refer to the online instructional and leadership improvement system that the district has acquired to provide a technological platform for the new teacher evaluation system.

B. Summative Evaluation Components

The teacher evaluation system shall consist of three (3) components:

1. Status Score – The Status Score is generated through administrative observation using the classroom or nonclassroom observation instruments. Domains One (60%), Two (30%), and Four (10%) shall be weighted within this component.

2. Student Performance Measure Score – The Student Performance Measure Score for the State’s Value Added Model (VAM) represents the percentage of students who meet or exceed the learning goal established by the appropriate assessment/instrument unless otherwise specified in Florida Statutes or State Board of Education rules.

3. Deliberate Practice Score – This component will be additive and represents points that will be added to the teacher’s Status Score prior to it being averaged with the Student Performance Measure Score for the final summative evaluation score. Deliberate Practice score is generated through administrative observation of one (1) Domain 1 element that the teacher and observing administrator select as a targeted element of instructional practice focus. Deliberate Practice will be scored in Domain Three with fifteen percent (15%) of the total score earned for this Domain being the additive points. Teachers design a Deliberate Practice Plan for continuous improvement and analyze progress on professional development activities, including those related to the Deliberate Practice Plan.

C. Instructional Practices Score

1. The District has selected the state approved Marzano Causal Teacher Evaluation Model, including Domains One, Two, and Four, for the purposes of evaluating the quality of teachers’ instructional practices and the Florida Department of Education model for some nonclassroom teachers. The District shall utilize the teacher observation instruments provided as part of these models. The Instructional Practices Score will be comprised of the Status Score plus the Deliberate Practice Score.

D. Administrative Observations

1. Observations will include informal/unannounced and formal/announced observations. Regardless of the type of observation, it will be entered into the electronic observation platform as close to the observation date as possible, but no later than ten (10) work days, to provide current and reliable feedback to teachers. Teachers will receive at least one formal/announced observation in the first semester of the year and at least one informal/unannounced observation in the second semester of the year. Should an Administrator attempt an unannounced, informal observation on a day or class period that the teacher believes will result in a less
than Effective rating, the Administrator and teacher will agree to conduct the observation at another time for one occasion only unless a scheduling conflict precludes this option.

2. For the purposes of evaluating Domain 1, teachers will have their observations individually rated and then averaged to determine the final Domain 1 score. If Deliberate Practice has not been sufficiently observed during the observations, the teacher will provide to the administrator a window of time (i.e. a week) during which an informal/unannounced observation will take place for the purposes of capturing data for the teacher in this element.

3. Teachers working less than half the year plus one day, either due to late hire or approved leave, will receive an informal/unannounced observation solely for the purpose of providing exposure to the observation system and formative feedback.

4. Teachers will be given a one week window during which the formal/announced observation will be held at which time a teacher may request a pre-conference. All summative teacher observations and feedback meetings for Domain 1 will be completed no later than the last school day of April. The administrator will enter into the electronic observation platform a mid-year status for Domains 2, 3, and 4 no later than the end of first week of Semester Two in order to provide feedback to teachers. This will be a progress monitoring tool only. All observations and feedback meetings for the Instructional Practices Score will be completed no later than three weeks prior to the end of the school year. Should the administrator responsible for providing the assessment not meet the date designated for the completion of the assessment, the administrator will inform the teacher of the reason for the delay.

E. Notification of the Evaluation Process and Performance Deficiencies
   1. The timelines for explaining and discussing the evaluation process specified in Article VII, Section H shall be held in abeyance.
   2. All teachers will receive continued development in the Marzano Causal Teachers Evaluation model including embedded professional development. Information regarding the Marzano Causal Teacher Evaluation model will also be available on the Office for Professional Development and School Supports Website.
   3. The observation cycle has been designed to incorporate the elements of the NEAT process into the post-observation conference and reflection process. In the event that a principal determines that a teacher is performing at an “Unsatisfactory” or “Developing/Needs Improvement” level, the procedures outlined in Article VII, Section H-6 shall be implemented to the extent they are not included or already covered by the formal observation cycle. Teachers are entitled to union representation in meetings scheduled outside of the formal evaluation/observation cycle to discuss the teacher’s performance.

F. Student Performance Measure Score
   1. Where less than three (3) years of data are available for teachers new to the District, the data that are available will be used.

G. Scoring of the Summative Evaluation
   The District will use the state identified rating labels of “Highly Effective,” “Effective,” “Developing/Needs Improvement,” and “Unsatisfactory.” The District’s adoption of the Marzano Causal Teacher Evaluation Model incorporates rubrics, weighting scales, and a scoring system to define and decide a teacher’s summative evaluation rating. The following scoring system will be utilized for all teachers:
   1. Status Score Component (65% of the overall summative score)
      Teachers will receive a numeric score ranging from 1 to 4, with 4 representing “Highly Effective” and 1 representing “Unsatisfactory” for each Domain. An average of the weighted scores for Domains 1, 2, and 4 will serve as the Status Score.
   For Domain 1 (60% of the Status Score):
      a. “Highly Effective” – All requirements for Effective and at least 15% of scorable elements in Domain One at Level 4 (Innovating) in 2015-2016, and 25% in 2016-2017.
      b. “Effective” – At least 60% of scorable elements at Level 3 (Applying) or higher
      c. “Developing/Needs Improvement” – Less than 60% of scorable elements at Level 3 (Applying) or higher and less than 50% of scorable elements at Levels 0 and/or 1 (Beginning and/or Not Using).
      d. “Unsatisfactory” – At least 50% of scorable elements at Levels 0 and/or 1 (Beginning and/or Not Using).

   For Domain 2 (30% of the Status Score) and Domain 4 (10% of the Status Score):
a. “Highly Effective” – At least 65% of scorable elements at Level 3 (Applying) and no scorable elements at Levels 0 and/or 1 (Not Using and/or Beginning),
b. “Effective” – At least 60% of scorable elements at Level 3 (Applying) or higher.
c. “Developing/Needs Improvement” – Less than 60% of scorable elements at Level 3 (Applying) or higher and less than 50% of scorable elements at Levels 0 and/or 1 (Beginning and/or Not Using).
d. “Unsatisfactory”—At least 50% of scorable elements at Levels 0 and/or 1 (Beginning and/or Not Using).

2. Student Performance Component (35% of the overall summative score)
a. The following will be used where a value added model is available and as appropriate, unless state statute or state board rule specifies otherwise. For other instruments an appropriate classification will be determined to best reflect student performance measure attributed to the teacher.
   1. “Highly Effective” – At least 75% of applicable students meet or exceed the expectations established by the state approved value added model(s) for a rolling three (3) year period.
   2. “Effective” – At least 40% but less than 75% of applicable students meet or exceed the expectations established by the state approved value added model(s) for a rolling three (3) year period.
   3. “Developing/Needs Improvement” – “At least 20% but less than 40% of applicable students meet or exceed the expectations established by the state approved value added model(s) for a rolling three (3) year period.
   4. “Unsatisfactory” – Less than 20% of applicable students meet or exceed the expectations established by the state approved value added model(s) for a rolling three (3) year period.

3. Deliberate Practice Score (Additional points added to the Status Score)
The level at which a teacher attains his or her goal on the Domain 1 element will be given a numeric score ranging from 1 to 4, with 4 representing “Highly Effective” and 1 representing “Unsatisfactory.” This number will be calculated as part of the average for Domain Three which will serve as the Deliberate Practice Score.
a. “Highly Effective” – When a teacher improves three (3) levels on his/her target Deliberate Practice element(s), or when a teacher improves from “Applying” to “Innovating” on his/her target Deliberate Practice element(s).
b. “Effective” - When a teacher improves two (2) levels on his/her target Deliberate Practice element(s), or when a teacher improves from “Developing” to “Applying” on his/her target Deliberate Practice element(s).
c. “Developing/Needs Improvement” – When a teacher improves one (1) level on his/her target Deliberate Practices element(s).
d. “Unsatisfactory” – When a teacher does not improve on his/her target Deliberate Practice element(s).

4. Final Score Calculation
a. Teachers will receive numeric score ranging from 1 to 4, with 4 representing “Highly Effective” and 1 representing “Unsatisfactory” for the Status Score, Student Performance Measure, and Deliberate Practice components.
b. A teacher’s Deliberate Practice Score will be multiplied by fifteen percent (15%) and added to the teacher’s Status Score to form the Teacher’s Instructional Practices Score.
c. The Instructional Practices Score and Student Performance Measure Score will be averaged together to provide the final summative evaluation score.
d. Final scores between 3.5 and 4.0 will represent “Highly Effective;” final scores between 2.5 and 3.4 will represent “Effective;” final scores between 1.5 and 2.4 will represent “Developing/Needs Improvement;” and a final score of less than 1.5 will represent “Unsatisfactory.”

5. Once the final summative score and ratings are calculated, an administrator will arrange to meet with the teacher to discuss the teacher’s overall summative evaluation score for the school year. Any teacher receiving a summative evaluation rating of “Unsatisfactory,” or any teacher receiving his/her second consecutive summative rating of “Unsatisfactory” or “Developing/Needs Improvement” will be entitled to union representation during this summative evaluation conference, and will also be provided the opportunity to participate in the Teacher Assistance Team.

H. Teacher Contracts and Impact of the Summative Evaluation of Teachers’ Contractual Status

2016-2017 Instructional Master Contract
1. Effective July 1, 2011, the procedure for awarding employment contracts to teachers was amended as defined by Florida Statutes. Should any language in the Instructional Master Contract regarding employment contracts be contrary to Florida Statutes, Florida Statutes shall prevail.

I. Reduction in Force

1. Should the District need to reduce the number of teachers in the District prior to the completion of the summative evaluations for the 2013-2014 school year, the provisions of Article VII, Section G shall apply with the following modifications:
   a. Any required reductions will first be based upon teacher’s previous school year’s evaluations.
   b. Those teachers with an unsatisfactory rating or who are on performance probation in accordance with Florida Statute 1012.34 shall be reduced first.
   c. If additional reductions are required, the provisions of Article VII, Section G shall apply.

2. After the completion of the summative evaluations for the previous school year, any required reductions will first be based upon teachers’ most recent final summative evaluation rating. Teachers rated as “Unsatisfactory” shall be reduced first, teachers rated as “Developing/Needs Improvement” within the area of assignment being reduced shall be reduced next, teachers rated as “Effective” within the area of assignment being reduced shall be reduced third, and teachers rated as “Highly Effective” within the area of assignment being reduced shall be reduced last. The order of reduction within a given performance level shall be determined in accordance with Article VII, Section G.

J. Evaluation Review and Monitoring

1. The Board and the Union agree to establish a Teacher Evaluation System Sub-Committee to be comprised of members mutually agreed upon by the Superintendent and President of USEP. This committee will be convened as needed to review the implementation of the teacher evaluation system, to monitor the results of the evaluation process, the electronic observation platform, and to make recommendations for ways to modify the teacher evaluation system for compliance with applicable laws, grant requirements, and best practices.

2. The Board and the Union have reserved the right with the Florida Department of Education to amend the teacher evaluation process within the guidelines established by applicable laws, grant requirements, and the applicable collective bargaining agreement.

K. Conformity to Law and the Instructional Master Contract

Nothing contained herein shall be construed to deny teachers of any rights conferred by the Instructional Master Contract with the exception of the provisions contained within this Memorandum of Understanding and/or the state approved Teacher Evaluation Plan submitted to the Florida Department of Education as agreed to by both parties. Should any provision of this Memorandum of Understanding or the statutes serving as its foundation be found to be contrary to law, the provisions of Article XII, Section A shall apply.

the full time teacher will receive compensation for the higher number of students until additional teacher
support can be arranged. Such compensation shall be paid according to Chart #2 below and will be paid as
a supplement at the end of each semester. Should the full time teacher indicate a willingness to carry a
higher load for the duration of the semester, the teacher will continue to receive additional compensation.

MEMORANDUM OF UNDERSTANDING
Retention of Fingerprints, and Five (5) Year Check

Florida Statutes require the submission of teacher fingerprints to the Florida Department of Law Enforcement (FDLE) automated fingerprint identification system, annual monitoring, and resubmission of the fingerprints every five (5) years.

The monitoring fee, currently $6.00 per employee, must be paid each year, and the resubmission fee currently $14.75 per employee, must be paid every five (5) years.

In order to comply with the law and provide a benefit to teachers, the Board and the Union agree to the following:

1. The Board will pay the monitoring fee.
2. The Board will pay the fee for the five (5) year resubmission.

The estimated fees for this school year is $32,884.

MEMORANDUM OF UNDERSTANDING
School Choice Preference Employee Request

1. A teacher assigned to a school site shall have preference given to his/her request to have his/her child(ren) (i.e., any child in his/her custodial care) attend school at his/her assigned worksite unless the following prevents granting the request.
   a. The appropriate educational program does not exist at that site, or
   b. Other extenuating circumstances (i.e., expulsion, serious disciplinary infractions, class size requirements, etc.) exist that may be cause for the child(ren)’s nonattendance.

The teacher may appeal any denied request to the Director of the Office for Teaching and Learning, or designee. The decision of the Director, or designee shall be final.

2. In the event a teacher requests placement of his/her child in a school other than the actual school in which he/she works in order to continue the child’s attendance in the feeder pattern of that school, subject to the approval of the Director, Office for Teaching and Learning, or designee, and the Superintendent, the request will be granted. The decision of the Director of the Office for Teaching and Learning, or designee and the Superintendent will be final.
MEMORANDUM OF UNDERSTANDING
School Utilization of Expanded Homeroom/Skinny Periods

The Board and the Union agree to the following procedures when a secondary school wishes to implement an expanded homeroom or “skinny” period that does not alter any existing provision of the Instructional Master Contract:

Applicability
For the purposes of this Memorandum of Understanding, an expanded homeroom or “skinny” period is an additional period of assigned student contact beyond what has been historically expected of teachers at the school, requiring additional time each week planning for instruction, delivering instruction, or assessing student work. It does not include a teacher’s performance of traditional homeroom duties like the taking of attendance, facilitation of announcements, supervision of students during club activities, activation of a video or podcast, supervision of sustained silent reading, performance of periodic student scheduling or graduation planning activity, or administering of other infrequently required incidental student activities.

Notification and Implementation Procedures
1. As soon as possible, but no later than February 1, the Principal must submit a written plan for the implementation of the expanded homeroom or “skinny” period to the Director of Employee Relations and the USEP President. The written plan must include a description of how the expanded homeroom or skinny period will provide learning related opportunities for students, how instructional staff members will have input into the development of the homeroom or “skinny” period, and when the staff will vote on the proposed homeroom or “skinny” period.
2. The Principal, Director of Employee Relations, and USEP President shall mutually determine and agree upon the teachers who will be affected by the proposed homeroom or “skinny” period.
3. The final proposal of the homeroom or “skinny” period shall be presented to all bargaining unit members at the school and fully explained by the Principal. The teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given five (5) days’ notice of such meeting. At least five (5) days prior to the explanatory meeting, the Principal shall provide a written copy of the proposed plan.
4. A secret ballot will be held under the supervision of the Principal of the school, the Director of Employee Relations/designee, and the President of USEP/designee. The Principal, President of USEP and Director of Employee Relations shall agree to the date, time, method of the vote, and procedures for absentee ballots. The affected teachers in the bargaining unit, the President of USEP, and the Director of Employee Relations will be given three (3) days advance notice of the voting date. A ballot must be given to each teacher eligible to vote and each teacher shall be given the opportunity to cast such ballot. Approval by two-thirds of the teachers eligible to vote is required. A valid note shall not be rescinded.
5. Any challenge of the voting process, procedure, or results will be referred to the President of USEP and the Director of Employee Relations for resolution.
6. The Principal shall notify the Director of Employee Relations and the President of USEP of the results of the balloting. Approved plans are effective for the following school year and are non-precedent setting.
7. All other provisions of the Instructional Master Contract, including Addendum E, Contract Waiver Request, remain unchanged and in full force and effect.

MEMORANDUM OF UNDERSTANDING
University of Minnesota Mathematical Reasoning Strategies (MARS) Project

During the 2015-2016 and 2016-2017 school years, the District has agreed for selected Middle Schools to voluntarily participate in a research study (“study”) with the University of Minnesota. Seventh grade math teachers who volunteer to participate in the study as outlined in this Memorandum of Understanding and in the Project MARS Consent form, and are selected to participate in the study, will be responsible for meeting the expectations set forth in this Memorandum of Understanding and in the Project MARS Consent form. A copy of the Project MARS Consent form, which will be signed by any teacher who agrees to participate in the study, has been provided to the Union and is incorporated into this Memorandum of Understanding by reference.
The goal of Project MARS is to improve the proportional reasoning skills of seventh grade students. The primary research objective is to assess the immediate and long-term effects of a research-based intervention (schema-based instruction “SBI”) on students’ proportional reasoning and overall mathematics problem solving. A secondary objective is to assess the immediate and long-term effect of SBI with seventh grade students when implemented by SBI-experienced teachers.

The District has agreed to participate in this study for the purpose of evaluating the Project MARS curriculum as it relates to the implementation of Mathematics Florida Standards. In the first year (2015-2016), teachers who volunteer for and are selected to participate in the study will randomly be selected as either Cohort One (SBI group) or Cohort Two (Control Group) by the University of Minnesota. In the second year, all participating teachers who volunteer for the study will be assigned to the SBI group.

**Additional Work Days**
Teachers who are selected for Cohort One will work two additional days on August 3 and 4, 2015 and will be compensated as outlined in the Compensation section of this Memorandum of Understanding. These days will be used for professional development. Teacher attendance during these additional days is mandatory for study participants. Teachers who do not attend these additional days will not be compensated for this additional work time, are not eligible to utilize accumulated leave, and are not eligible for participation in the study.

**Other Responsibilities**
The District and Union agree to the other responsibilities for teachers who volunteer to be part of the study as described in the Project MARS Consent form. The District and Union agree that participation in the study is voluntary and that teachers can elect to discontinue participation at any time, subject to the conditions outlined in the Project MARS Consent form.

**Progress Monitoring**
In order to facilitate the flow of information and to help resolve concerns that may arise as part of the study, the District and Union agree to include discussions about the implementation of this Memorandum of Understanding.
MEMORANDUM OF UNDERSTANDING
Voluntary Coverage Process

In recognition of the additional responsibilities that are assumed by instructional staff when they provide voluntary class coverage, and in an effort to better assess the District’s utilization of voluntary coverage, the Board and Union agree to implement a Voluntary Coverage process for the 2016-2017 school year. This process will allow the Board and Union to acknowledge teachers who agree to provide voluntary class coverage during their planning period without diverting funds away from the money that is available to improve salaries for all teachers.

Teachers providing voluntary class coverage during their planning period in classes for which substitutes are not secured shall be given compensatory time as follows:

1. This process anticipates that coverage is being provided for the entire duration of the volunteering teacher’s planning period, and that the amount of compensatory time earned shall be commensurate with the length of the period being covered.
2. Compensatory time should only be utilized during non-student contact time, and must be approved in advance by the principal.
3. Compensatory time must be utilized in the increments in which it is earned.
4. Teachers may request, and principals retain the discretion to approve, the use of more than one compensatory time increment at a time.
5. Compensatory time must be used within the school year it is earned, and cannot be carried forward from one school year to the next. In addition, compensatory time earned under this plan has no terminal value should a teacher’s employment be separated mid-year.
6. Site-based administration shall be responsible for tracking the accumulation and use of compensatory time through this process.
7. Nothing contained in this process prevents individual schools from providing additional recognition to teachers who agree to provide coverage for absent teachers beyond the terms of this process.
8. While no limits currently exist as to how frequently an individual teacher can agree to provide coverage under this process, regular planning and collaboration time is an important part of the teacher workday and should not be missed on a regular basis.

The Board and Union agree to monitor the utilization of this process for the remainder of the 2016-2017 school year, and will meet to review the process and propose recommended changes, if any are needed. Both the Board and Union also agree to meet during the 2016-2017 school year to discuss concerns relative to and seek remedy for the splitting of classes as a means of coverage at the elementary and secondary levels.
