

BARGAINING UPDATE #1

The Pasco School Board is preparing its 2018-19 budget and now is the right time to reach out and advocate for them to prioritize substantive raises for employees. Call, email, or **join us at the June 19th School Board meeting at 6:00pm.**

Bargaining with the District begins next week and announcement of scheduled sessions will be regularly updated on the USEP webpage. As these sessions are open meetings, members of the bargaining units are encouraged to attend and observe negotiations as they unfold. USEP members will be receiving detailed weekly bargaining updates.

Don't forget: our strength is in our numbers -- ***we are stronger when we stand together!***
