A roster of all SRP assigned to a school or district office department shall be provided to the Union worksite representative by the principal or district office department by September 10, and revised rosters shall be provided when issued. Each member of the bargaining unit will receive a directory of all personnel by November 15 of each school year. This directory shall contain an alphabetical list of all employees as well as a list of employees by school and district office department. The Board and Union agree that an electronic directory of all personnel will be available on the district's single sign-on, myPaseoConnect network. This directory will list employees alphabetically by school or department and will be updated regularly. Employees will have the opportunity to opt out of having their personal contact information listed in the directory. The availability of this directory will replace the distribution of a paper copy of a directory distributed in prior years. Copies of this directory shall not be provided by the Board or Union to any outside parties for commercial or solicitation purposes.
11. ~~Following ratification, copies of all agreements and addenda thereto between the parties shall be distributed to the worksite by the Union and the Board. The Union will distribute a copy to each employee covered by this Agreement. After the distribution, the Union will make every effort to distribute this Agreement to SRP hired after each year's initial distribution within twenty (20) working days of the date the SRP is approved by the Board. The Board and the Union will mutually arrange for printing of the Agreement. The Board shall contribute one-half (1/2) the cost of printing copies of the Agreement. The parties will mutually agree to the specified number of copies and to the size, format, and cost of the copies.~~
The Board and Union agree, following ratification, that all Agreements and addenda will be available on the Board's and Union's respective websites. The Board and Union will each be responsible for the printing of the number of copies of the Agreement they wish to order, by a vendor of their choice.

 2. Same.

 4. Any SRP on approved, extended leave who returns to the position held prior to going on leave without a break in service shall be placed on the appropriate salary range step upon return. If the SRP does not return to the position held prior to going on leave or if there is a break in service, salary range step placement shall be governed by the rules in effect at the time of rehire. However, those SRP returning from Military Leave within the time legally stipulated shall be advanced to the appropriate position on the salary range schedule as if they had been in actual service in the district.
 5. a) Positions at the SRP's worksite at the time of beginning a leave shall be held for SRP who are granted unpaid leave under the following conditions:
 - 1) Unpaid Health Sick Leave not to exceed one hundred and ten (110) twenty (20) working days, and, if eligible for Health Leave, the first ninety (90) days of such leave. If eligible, up to twelve (12) weeks or sixty (60) days of Family and Medical Leave (FMLA Leave) will run concurrently;
 - 2) Child Rearing Leave for up to one hundred and ten (110) working days one-half (1/2) the work year of the SRP. If eligible, up to twelve (12) weeks or sixty (60) days of Family and Medical Leave (FMLA Leave) will run concurrently;
 - 3) Military Leave for the period of time obligated to serve in accordance with applicable law;
 - 4) Same.
 - 5) Same.
 - 6) Same.
 - 7) Same.
 - 8) ~~Unpaid Personal Leave not to exceed nine (9) workdays for circumstances not covered by 1 through 7. In cases of documented family problems, household emergencies, and/or legal business which necessitates the SRP being absent from work, an additional eleven (11) days of unpaid Personal Leave may be granted. The supporting reasons for such additional unpaid Personal Leave must be submitted in writing.~~
 - 8) A SRP's paid leave will run concurrently with unpaid leave. The Americans with Disabilities Act of 1992 will also be taken into consideration with employee leaves.
 - b) Upon request, a SRP shall be granted any unpaid leave listed in Article VIII, Section C-Unpaid Leaves under the provisions stated therein for which he/she qualifies for a period up to one year, but his/her position shall not be held except for SRP who are granted Civic Participation Leave, Education Leave, Military Leave as described in (5)(a)(3), FMLA Leave, or Union President's and Union-designated leave. Further, no extension of leave beyond one (1) year shall be granted except for Civic Participation Leave, Military Leave, or Union President's and Union designated leave.
 - c) If it is necessary to remain on leave in excess of 110 days, the employee's status will be changed to "Human Resources on Assignment." That designation will remain for the remainder of the current year and if necessary, the entire following school year. If the employee is able to return before the end of the second school year, they will be given an opportunity to apply, as an internal candidate, with no break in service or a need to be re-fingerprinted. In the event the employee is still unable to return after the second year being "human resources on assignment" they will be released from employment from the District.
6. ~~Positions shall not be held for SRP on extended, unpaid leave except as provided above, and it is understood that the person returning from leave under these conditions shall be returned to the same position held upon applying for such leave if the position exists. Persons hired to replace SRP who are on extended, unpaid leave and whose position is being held will be notified prior to employment that their appointment is only for the period of time that the SRP is on leave. In the event that the SRP does not return from leave or extends his/her leave and no longer qualifies for the position to be held, the person occupying the position shall continue in the position. Prior to recommending approval of an extended, unpaid leave, the worksite supervisor shall inform the SRP in writing whether or not his/her position will be held for the return of the SRP from leave. If the position will not be held, the SRP will be terminated at the end of his/her leave. However, a SRP will be given consideration for other positions for which he/she may be qualified when he/she is ready to return from leave.~~
 7. a) If a SRP has exhausted all paid leave and is still unable to work because of personal illness or injury, he/she will be granted unpaid Health Sick Leave for a period not to exceed twenty (20) additional workdays, and his/her position will be held, up to a total of one hundred and ten (110) days for paid and unpaid leaves combined. If the SRP is still unable to return to work at that point, he/she shall be granted Health Leave under the provisions contained in Article VIII, Section C-5. If the SRP is unable to return to work after the first ninety (90) days of Health Leave, his/her position will no longer be held.
 - b) ~~Paid and Unpaid leave granted under the provisions of Article VIII, Section C-7 a) 5), Family and Medical Leave (FMLA), based on the serious health condition of the SRP, will be counted toward the days available for unpaid Health Leave, and will be counted toward the one hundred and ten (110) ninety (90) days of Health Leave in which a SRP's position will be held.~~
 - c) ~~Should a SRP be granted FMLA Leave due to the SRP's serious health condition, and such leave be granted beyond the first ninety (90) days of unpaid Health Leave, the SRP's position will be held until the conclusion of his/her approved FMLA Leave. If the SRP is unable to return to work after the conclusion of the approved FMLA Leave, his/her position will not be held.~~

8. A SRP who is absent without leave on a temporary basis shall not be subject to loss of pay and/or subject to reprimand or dismissal if said absence is beyond the individual's control and the SRP is unable to notify the worksite supervisor or designee and said SRP is eligible for paid leave during his/her absence. Upon request by the worksite supervisor or designee, reasonable documentation, if the situation permits, and/or explanation will be furnished by the SRP at the earliest possible time.
9. When a SRP receives an unpaid leave of absence after the beginning of the second semester that extends to the end of the school year, the number of days remaining to be paid to the SRP shall be divided by the number of days in the SRP regular payroll check to determine the number of pay periods for which the school district will pay benefits except as provided for FMLA Leave.
10. When bus routes are picked at the beginning of the school year, a Bus Driver or Transportation Assistant on extended leave for whom a position is not being held who wishes to return from leave and is otherwise qualified to pick a route will be permitted to do so in regular seniority order provided that a vacant Bus Driver or Transportation Assistant position exists at that time.

SECTION C - Unpaid Leaves

Positions shall be held for SRP who qualify for unpaid leave under the conditions as described in Article VIII -- Leaves of Absence, Section A - Rules Governing, subparagraphs 5 and 6. ~~A SRP's paid leave will run concurrently with unpaid leave. The Americans with Disabilities Act of 1992 will also be taken into consideration with employee leaves.~~

- b) Requests for such leave shall be made in writing to the Office for Human Resources and Educator Quality of the Superintendent at least thirty (30) days, when possible, prior to the commencement of the leave.

A copy of the military orders shall be attached. Effective July 1, 1987, the "annual period" referred to in Section 115.07, Florida Statutes, shall be from July 1 through June 30.
- b) The SRP's position will be held for the time obligated to serve up to 110 days. After 110 days, a position for the SRP will be held in the District but his/her position at a specific worksite at the time of beginning leave will not be held.

4. Civic Participation Leave – Same.

5. Health Leave

- c) ~~Positions shall be held for SRP who qualify for unpaid Health Leave for the first ninety (90) days of such leave. However, should a SRP be granted FMLA Leave due to the SRP's serious health condition, and such leave be granted beyond the stated provisions for Health Leave, the SRP's position will be held until his/her entitlement for FMLA Leave be exhausted.~~

6. Extended Personal Leave – Same.

7. Family and Medical Leave Act (FMLA)

- a) ~~The Board will grant an eligible employee (as defined in subparagraph c) of this section up to a total of twelve (12) weeks of leave in a twelve (12) month period (July 1 through June 30, as defined in subparagraph b) in accordance with the regulations pursuant to the Family and Medical Leave Act of 1993, of this section for one or more of the following reasons:~~

- 1) the birth of a child of the employee and care following the child's birth.
- 2) the adoption of a child by the employee including the events and process leading to adoption, and care following the adoption.
- 3) the placement and/or care of a child in the foster care of the employee.
- 4) the care of a child, spouse or parent of the employee who has a serious health condition (as defined in Part a) 5). For purposes of this paragraph: (a) the term "spouse" means a husband or wife as defined or recognized under State law for purposes of marriage; (b) the term "parent" means a biological parent or an individual who stands or stood *in loco parentis* to an employee when the employee was a child – this term does not include parents "in law"; (c) the terms "son" or "daughter" mean a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.

When an employee takes FMLA leave for the care of a child, spouse, or parent of the employee which results in the death of such child, spouse, or parent of the employee, the Board will provide unpaid leave and benefits for a maximum of five calendar days from the date of the death of such child, spouse, or parent of the employee.

- 5) the treatment of a serious health condition which prevents the employee from performing his/her job. A "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:
 - a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice, or residential medical care facility);
 - b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three (3) calendar days, that also involves continuing treatment by (or under the supervision of) a health care provider; or
 - c. continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three (3) calendar days; or for prenatal care.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless inpatient hospital care is required.

- ~~b) The twelve (12) month period for entitlement under this section will be measured from July 1 through June 30.~~

- ~~b)e) In order to be eligible, the employee must have been employed by the Board for at least one year, and the employee must actually have received pay for 1,250 or more hours from the Board during the twelve (12) month period immediately preceding the unpaid leave. Holidays, earned Sick Leave, and vacation time for which the employee has been paid but has not worked shall be included in the calculation of the 1,250 hours. Workers' Compensation, suspension with pay, and Sabbatical Leave for which the employee has been paid will not be included in the calculation of the 1,250 hours. Sick Leave Bank days, Voluntary Sick Leave Donation days, and days transferred from family members for which the employee has been paid will not be included in the calculation of the 1,250 hours. Should a SRP apply for FMLA Leave based on the serious health condition of the SRP as described in subparagraph 7 a) 5), and such requested leave immediately follows Sick Leave Bank days which were granted for the SRP's serious health condition, the twelve (12) month period in which the SRP received pay will be calculated prior to the first day of approved Sick Leave Bank.~~

- d) Leave, except for certain exceptions described in part e) for SRP employees, commences upon the absence of the employee from work and ends on the day and time the employee reports back to work.
- e) Leave for the birth, adoption, or placement of a child with an employee as described in subparagraphs 7 a) 1), a) 2), and a) 3), must conclude within one (1) year from the date of the birth, adoption, or placement of the child.
- f) Leave for the birth, adoption, or placement of a child with an employee as described in subparagraphs 7 a) 1), a) 2), and a) 3), will be counted toward the one (1) year that may be granted as Child Rearing Leave under Article VIII, C-1.
- g) Leave for the serious health condition of the SRP as described in subparagraph 7 a) 5) will be counted toward the days that may be granted as Health Leave under Article VIII, C-5.
- h) Any Sick Leave Bank days granted during the year under the provisions of Article VIII, Section B-6, will be counted toward the SRP's annual entitlement of up to twelve (12) weeks of FMLA Leave.

- ~~c) The FMLA Leave mentioned in this section is subject to the following restrictions and privileges pursuant to the Family and Medical Leave Act of 1993:~~

- 1) ~~An employee must first use all available earned paid Sick Leave before unpaid FMLA Leave will be granted. FMLA will run concurrently with all paid leave.~~
- 2) The employee will be restored to his/her former position unless the employee's position has been affected by reduction in force and/or layoff.
- 3) The Board shall require materials documenting the reason for the leave before granting a leave of absence under this section.
- 4) It is the responsibility of the employee to obtain the necessary documentation and to furnish the documentation to the Board.
- 5) The Board may request verification of a medical condition for which leave has been granted under this section at any reasonable interval, but not more often than once every thirty (30) days, unless:
 - a. the employee requests an extension of leave;

- b. circumstances described by the original documentation have changed significantly (i.e., the duration of the illness, the nature of the illness, complications); or
- c. the employer receives information that casts doubt upon the continuing validity of the documentation.
- 6) If the Board pays the employee contribution missed by the employee while on leave, the employee will be required to reimburse the Board for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments.
- 7) An employee may continue coverage by continuing to pay the employee's portion of the premiums, including dependent coverage, while on leave.
- 8) The employee must notify the Board as soon as practicable once the employee knows that a leave will be needed. For a foreseeable leave, such as for birth, adoption, or planned medical treatment, the employee must provide at least thirty (30) days notice to the Board. In all cases, the employee must furnish a request to the Board on a form provided by the Board.
- 9) Prior to the employee's return to work from an employee disability, the employee shall submit medical certification of the employee's fitness to return to work.
- 10) The Board retains the right to implement reasonable rules and regulations with regard to the use of leaves of absence within the requirements of the FMLA. This includes but is not limited to requiring a second opinion, at the Board's discretion, from a Board-paid doctor with regard to a medical disability, and the use of forms for requests for leave, physician documentation, and fitness to return to work.
- 11) In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and employee. This third opinion will be final and binding upon the Board and the employee.
- 12) Insurance eligible employees who enter FMLA with at least twenty (20) days of accrued and available sick leave for use during their leave, will be eligible to receive Board contributions for their eligible Medical Plan, for one (1) month beyond what they qualify for under FMLA.

j) Intermittent Leave or Reduced Leave

An eligible employee who is entitled to a twelve (12) week leave under the provisions of this section may take that leave on an intermittent or reduced leave schedule in certain cases. An intermittent leave schedule is one in which the employee may take the allowable leave intermittently, or in blocks of days at a time, as needed. A reduced leave schedule is one in which the employee's daily or weekly work hours are reduced, as needed. Leave will be granted intermittently or on a reduced leave basis in the case of the serious health conditions of the employee or of the child, spouse, or parent of the employee; provided that it is medically necessary and that a certification from a physician is obtained.

The amount of Family and Medical Leave used where an employee takes leave intermittently or on a reduced leave schedule will be determined in accordance with the applicable regulations of the Family and Medical Leave Act of 1993, ~~currently §825.205 of the Interim Regulations.~~

k) Effect of Leave on Board-Paid Benefits

During the period of leave governed by this section, the Board will pay the portion of the insurance premium (for employee only) which it normally paid prior to the leave, which includes medical, pharmacy, behavioral health, EAP and basic core life, such as major medical, surgical, dental, vision, life, and flexible benefits. The cost of these benefits will be paid by the Board based on the expectation that the employee will return to work following the approved FMLA Leave. Return to work means that the employee must return to work for at least thirty (30) calendar days following the conclusion of approved FMLA Leave or following the conclusion of other approved leave which is granted under Article VIII and which is immediately subsequent to the FMLA Leave. Non-contracted days during summer break, and unpaid holidays during winter and spring break will not be used in calculating the thirty (30) calendar days. If an employee does not return to work for the Board after FMLA Leave, the Board shall take necessary steps to recover the Board's share of the health premium payments made on the employee's behalf during a period of unpaid FMLA Leave unless:

- 1) the employee's position has been affected by reduction in force and/or layoff;
- 2) the employee has a continuation, recurrence, or onset of a serious health condition which would entitle the employee to leave under FMLA; or
- 3) other circumstances beyond the employee's control. In cases where an employee does not return to work and claims the reason to be "other circumstances beyond the employee's control," the details regarding such circumstances will be reduced to writing and submitted for review by the Board's designee responsible for FMLA Leave. The Board may require additional documentation to support the employee's claim. The Board will use applicable Federal Regulations and existing case law to determine whether the circumstances claimed by the employee as resulting in the employee not being able to return to work were beyond the employee's control.

l) The SRP's position will be held for 110 days.

8. Same.

Service Factor

1. All Service Factor and Longevity payments established prior to July 1, 2016 will continue to be paid at the rates at which they were established. The Service Factor/Longevity concept will be discontinued and no longer utilized going forward as both the District and Union believe employees will receive higher compensation levels by using any and/or all available monies for annual raises and other improvements. To be eligible to receive the Service Factor, a SRP must have earned at least one year's credit of Pasco continuous service since arriving at the top step of his/her 2014-2015 salary schedule.
- ~~2. Longevity and Service Factor payments established prior to the 2015-2016 school year will continue to be paid at the rates and levels at which they were established.~~
3. Employees who were eligible to receive the Service Factor and Longevity payments as of the 2007-2008 school year will continue to be paid at the 2007-2008 rates and levels. From the 2008-2009 to 2013-2014 school year, no additional Service Factor or Longevity payments were awarded. In the 2013-2014 school year, an additional step was added in lieu of Service Factor or Longevity payments. In years where no Longevity or Service Factor payments were awarded, SRP were entitled to a year of service credit but were not entitled to the incremental increase in Service Factor compensation for that year of service credit.
4. The 2007-2008 Service Factor hourly rate is equal to nine cents (\$0.09) times the number of years of Pasco District employment through the 2006-2007 school year. The total annual amount is calculated by multiplying the hourly rate times the current number of hours worked daily times the current length of the individual SRP's work year. This amount will continue to be spread equally over the SRP's pay dates so long as there is no break in service.
5. SRP eligible for the 2007-2008 Service Factor will continue to receive an additional eighty cents (\$.80) per hour for Longevity so long as there is no break in service.
6. SRP eligible for the 2014-2015 Service Factor will continue to receive an additional ten cents (\$0.10) per hour for Longevity so long as there is no break in service.

SCHOOL RELATED PERSONNEL ECONOMIC PROPOSAL

Recognizing the important role that SRP play in the operation of the school district, the Superintendent, Board, and Union prioritized the providing of salary increases for SRP for the 2016-2017 school year as follows:

1. **Salaries**

~~\$1,802,432~~ \$1,822,837 will be provided to improve SRP compensation as follows:

- ~~\$1,802,432~~ \$1,822,837 to provide an average salary increase of approximately ~~2.65~~ 2.68 ~~3.0~~ percent of base salary to all eligible SRP, exclusive of all supplements including Longevity and Service Factor, provided the SRP earned a year of service credit for the 2015-2016 school year, and 1.5 percent improvement to the base step of all Salary Schedules. By redirecting the raise funds forfeited by employees who have left employment with the District during the 2016-2017 school year, the District can increase the total raise percentage for the remaining eligible employees to approximately 3.0 percent, retroactive to July 1, 2016.
- Longevity and Service Factor payments established prior to the 2015-2016 school year will continue to be paid at the rates and levels at which they were established.
- All supplements and differentials will continue to be paid at 2015-2016 rates except as provided in this proposal.
- Should there be any deviations during implementation, the Board and the Union are authorized to correct these deviations. In addition, should the District's budgetary status improve during the 2016-2017 school year, the Board and the Union agree to meet to examine the possibility of compensation improvements.
- The payment and increases shown above will be provided retroactively to July 1, 2016, for current bargaining unit members employed on the date of Board ratification. However, such increases will not be provided to bargaining unit members who left the District prior to Board ratification for any reason other than retirement.

2. **Other Considerations**

In light of discussions during this past school year to clarify/confirm particular items that arose, the parties agree to the following compensation levels as stated:

Bus Driver Trainers – Bus Drivers and Relief Bus Drivers selected to function as Bus Driver Trainers will be paid at the top step of Salary Schedule 19B, currently \$16.79 per hour and any improvement in that step's pay level. a premium rate of \$3.00-\$2.00 per hour over their regular, hourly rate of pay.

Field Trip Compensation – Bus Drivers will be paid \$13.08-\$14.42 at Step 12 of Salary Schedule 19B, currently \$13.08 per hour, and any improvement in that step's pay level, for all field trips worked.

Lowest 300 Schools – SRP providing coverage/supervision for siblings of students at District schools identified as a "lowest 300" school in reading, will receive their regular hourly rate of pay for all hours worked.

3. **Fingerprint Retention Fees**

The Board will continue to pay the fingerprint retention fee for SRP, estimated to be \$23,000 for the 2016-2017 school year.

4. **Fringe Benefits**

The Board agrees to contribute ~~\$6,385.83~~ \$6,642.98 (an increase of \$257.15) per eligible employee toward the cost of the health insurance benefits package for the 2017 insurance plan year.

The Board's contribution will be used to pay those premiums associated with the fully-insured benefits contained in the health insurance benefit package, to pay all claims and administrative costs incurred and associated with the self-insured benefits contained in the health insurance benefit package, and to contribute towards the insurance reserve account for the self-insured benefits contained in the health insurance benefit package. For the 2016-2017 school year, the Board will continue to offer an annual health risk assessment incentive of up to \$250 per employee.

Should there be any funds once the District has set aside funds to pay all fully insured premiums, all self-insured incurred claims, all administrative costs associated with the health insurance established benefits package, and funded the insurance reserve/surplus account to the level identified by the District Insurance Committee, such funds will be placed in the insurance reserve/surplus account and applied towards the costs for the 2018 plan year. Should increases in costs for the products and services contained in the health insurance benefit package require an additional District contribution in excess of the operating dollars budgeted for the 2017 benefit year, the Board and the Union will meet to decide how to balance any such deficit.

In addition, the alternative "opt-out" program shall be provided to bargaining unit members with existing coverage who do not choose one of the Board-approved health insurance plans. The amount of this "opt-out" will be \$1,200.

Effective with the 2012-2013 school year, employees receiving the District's health insurance benefit package who terminate employment after working through the final day of his/her respective work calendar shall continue to receive Board contributions towards his/her health insurance benefit package through the end of August of that plan year.

The District will cover the cost of additional required contributions to the Florida Retirement System in the amount of \$274,233.
