will be provided to improve SRP compensation as follows:

I.  $3,197,700  $990,540  $2,476,350  $1,155,620  $2,311,260  $1,318,186  $1,981,080  $1,320,720
to provide a salary increase of four and one-half (4.50%) one and one-half (1.50%) three and three-
quarters (3.75%) one and three-quarters percent (1.75%) three and one-half (3.50%) two percent
(2.0%) three (3.0%) two percent (2.0%) of base salary to all eligible SRP, exclusive of all
supplements including Longevity and Service Factor, provided the SRP earned a year of service
credit for the 2017-2018 school year.

II. The SRP Compensation Committee will again be convened to provide input in the implementation
of the new salary structure, which occurred during the 2017-2018 school year. The newly created
salary ranges, as opposed to the former step schedules, were integrated as part of any salary increases
for the 2017-2018 school year and beyond.

III. All supplements and differentials will continue to be paid at 2017-2018 rates except as provided in
this proposal. (see Addendum E)

IV. Should there be any deviations during implementation, the Board and the Union are authorized to
correct these deviations. In addition, should the District’s budgetary status improve during the 2018-
2019 school year, the Board and the Union agree to meet to examine the possibility of compensation
improvement.

V. The payment and increases shown above will be provided retroactively to July 1, 2018, for current
bargaining unit members employed on the date of Board ratification. However, such increases will
not be provided to bargaining unit members who left the District prior to Board ratification for any
reason other than retirement.

VI. The District will cover the cost of additional required contributions to the Florida Retirement System.
For the 2018-2019 school year, the increased contribution amount is approximately $389,612.

2. Other Considerations

a. **Non-Recurring Bonuses**—each eligible SRP will receive a non-recurring bonus payment to
be determined by the parties related to the Health Insurance Program surplus as of June 30,
2018, and after all items in #4 below (Fringe Benefits) have been addressed:

b. **Other adjustments:** Total of $297,347 as follows:

3. Fingerprint Retention Fees  
The Board will continue to pay the fingerprint retention fee for SRP, estimated to be $25,176 for the  
2018-2019 school year.

4. Fringe Benefits  
The Board agrees to contribute $6,785.00 (therefore no increase) per eligible employee, toward the  
cost of the health insurance benefit package for the 2019 insurance plan year.

The Board’s contribution will be used to pay those premiums associated with the fully-insured benefits  
contained in the health insurance benefit package, to pay all claims and administrative costs incurred and  
associated with the self-insured benefits contained in the health insurance benefit package, and to  
contribute towards the insurance reserve account for the self-insured benefits contained in the health  
insurance benefit package. In order to balance the insurance budget, the District Insurance Committee  
agreed that effective January 1, 2014, the annual $150 per employee flexible benefit would be replaced  
with an annual health risk assessment incentive of up to $250 per employee.

Should there be any funds once the District has set aside funds to pay all fully insured premiums, all self-  
insured incurred claims, all administrative costs associated with the health insurance benefits package,  
and funded the insurance reserve/surplus account to the level identified by the District Insurance  
Committee, such funds will be placed in the insurance reserve/surplus account and the Board and Union  
will meet to decide how to best utilize the excess funds which may include applied the application of  
towards the costs for the 2020 plan year. Should increases in costs for the products and services contained  
in the health insurance benefit package require an additional District contribution in excess of the  
operating dollars budgeted for the 2019 benefit year, the Board and the Union will meet to decide how  
to balance any such deficit.

In addition, the alternative “opt-out” program shall be provided to bargaining unit members with existing  
coverage who do not choose one of the Board-approved health insurance plans. The amount of this “opt-  
out” will be $1,200.

Effective with the 2012-2013 school year, employees receiving the District’s health insurance benefit  
package who terminate employment after working through the final day of his/her respective work  
calendar shall continue to receive Board contributions towards his/her health insurance benefit package  
through the end of August of that plan year.
