**MEMORANDUM OF UNDERSTANDING**

**Turnaround Schools Supplemental Services Allocation MOU**

**October 24, 2019**

The Turnaround Schools Supplemental Services Allocation (TSSSA) will be based on 2019 school grades and meeting one of the following three criteria: a school implementing a district-managed turnaround plan, a school that has earned at least three consecutive grades below a "C," or a school that has improved to a "C" or higher and is no longer in turnaround status within the last two years.

During the 2018-2019 school year, the State identified West Zephyrhills Elementary School as having improved to a "C" and Hudson Elementary School as having moved to "DD."

Pasco County Schools is dedicated to identifying and recruiting skilled applicants for our turnaround schools. A \$2000.00 bonus will be awarded to teachers employed at either school from September 1, 2019, through May 29, 2019, that have a three-year aggregate state VAM rating of effective or highly effective or a rating of effective or highly effective based on the Pasco County Student Performance Measure.
