

Mutual Proposal
Instructional Pay Raises in Advance of Ratification January 14, 2021

It is the District's and Union's goal for employee pay increases to be paid as soon as possible; therefore, the District and Union agree to process pay increases upon execution of the Tentative Agreement in anticipation of ratification. Should either party not fully ratify the 2020-2021 contract, the District and Union agree that the District will collect any pay increases paid in accordance with this MOU in the following pay period, unless an alternative agreement between the District and Union is made.
